## **Nektar to Webcast Presentation at Jefferies 2017 London Healthcare Conference**

SAN FRANCISCO, Nov. 10, 2017 /PRNewswire/ -- Nektar Therapeutics (Nasdaq: NKTR) announced today that its corporate presentation will be webcast at the upcoming Jefferies 2017 London Healthcare Conference in London on Wednesday, November 15, 2017 at 10:00 a.m. GMT.

The presentation will be accessible via a Webcast through a link posted on the Investors, Events Calendar section of the Nektar website: <http://ir.nektar.com/events.cfm>. This Webcast will be available for replay until December 11, 2017.

### **About Nektar**

Nektar Therapeutics is a research-based, development stage biopharmaceutical company whose mission is to discover and develop innovative medicines to address the unmet medical needs of patients. Our R&D pipeline of new investigational medicines includes treatments for cancer, autoimmune disease and chronic pain. We leverage Nektar's proprietary and proven chemistry platform in the discovery and design of our new therapeutic candidates. Nektar is headquartered in San Francisco, California, with additional operations in Huntsville, Alabama and Hyderabad, India. Further information about the company and its drug development programs and capabilities may be found online at <http://www.nektar.com>.
