Item 1.01 Entry into a Material Definitive Agreement.

Please see the disclosure set forth under “Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant,” which is incorporated by reference into this Item 1.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In connection with the Purchase Agreement dated July 3, 2012 among Nektar Therapeutics (the “Company”) and the initial purchasers party thereto, which was included in the Form 8-K filed by the Company on July 10, 2012, on July 11, 2012, the Company issued \$125 million aggregate principal amount of its 12.0% senior secured notes due 2017 (the “Notes”) governed by an Indenture, dated as of July 11, 2012 (the “Indenture”), between the Company and Wells Fargo Bank, National Association, as trustee and collateral agent (the “Collateral Agent”). The holders of the Notes do not have any registration rights.

Under the terms of the Indenture, the Notes will bear interest at a rate of 12.0% per annum. The Company shall pay interest on the Notes in cash semi-annually in arrears on January 15 and July 15 of each year, beginning on January 15, 2013. The Notes will mature on July 15, 2017. All outstanding principal will be paid at maturity.

The Indenture contains customary covenants, including covenants that limit or restrict the Company’s ability to incur liens, incur indebtedness, make certain restricted payments, merge or consolidate and make dispositions of assets. The Indenture does not contain covenants related to future financial performance. The Indenture specifies a number of events of default (some of which are subject to applicable grace or cure periods), including, among other things, non-payment defaults, covenant defaults, cross-defaults to other material indebtedness, bankruptcy and insolvency defaults and non-payment of material judgments. Upon the occurrence of an event of default under the Indenture, subject to cure periods in certain circumstances, the Collateral Agent, at the direction of the holders of the Notes, may declare all amounts outstanding to be immediately due and payable and foreclose on or liquidate the Company’s assets that comprise the collateral securing the Notes. Subject to certain terms and conditions in the Indenture, the Company retains the ability to enter into future collaboration transactions and royalty financing transactions.

The Indenture provides that, beginning on July 15, 2015, the Company may redeem some or all of the Notes at a redemption price equal to, prior to July 15, 2016, 109.0% of the principal amount of the Notes to be redeemed and, on and after July 15, 2016, 104.5% of the principal amount of the Notes to be redeemed plus, in each case, accrued and unpaid interest, if any, to but not including the redemption date. Prior to July 15, 2015, the Company may redeem up to 35% of the aggregate principal amount of the Notes at a redemption price equal to 112% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the date of redemption, with the net cash proceeds of certain equity offerings. In addition, the Company may, at its option, redeem some or all of the Notes at any time prior to July 15, 2015, by paying a “make whole” premium, plus accrued and unpaid interest to the date of redemption. If the Company experiences certain change of control events, the holders of the Notes will have the right to require the Company to purchase all or a portion of their Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of purchase. Upon certain asset sales, the Company may be required to offer to use the net proceeds thereof to purchase some of the Notes at 100% of the principal amount thereof, plus accrued and unpaid interest to the date of purchase.

Under the terms of the Indenture, the Notes are fully and unconditionally guaranteed, jointly and severally, on a senior secured basis by (i) the Company’s future domestic restricted subsidiaries, (ii) Nektar Therapeutics UK Limited to the extent its total assets or revenues exceed 1.0% of the consolidated total assets or consolidated revenues, respectively, of the Company and a guarantee by it would not result in material adverse tax consequences under Section 956 of the Internal Revenue Code or any successor provision thereto and (iii) each of the Company’s future foreign subsidiaries to the extent a guarantee by such foreign subsidiary (x) would not result in material adverse tax consequences under Section 956 of the Internal Revenue Code or any successor provision thereto and (y) is permitted under applicable law.

Under the terms of the Indenture, the Company is required to enter into a Pledge and Security Agreement dated July 11, 2012 (the “Security Agreement”), between the Company and Wells Fargo Bank, National Association, collateral agent, and an Escrow and Deposit Account Control Agreement dated July 11, 2012 (the “Escrow Agreement” and collectively with the Security Agreement, the “Collateral Documents”), among the Company, Wells Fargo Bank, National Association, as collateral agent, and Wells Fargo Bank, National Association, as escrow agent. Pursuant to the Collateral Documents, the Notes and the related guarantees are secured by a first-priority lien on substantially all of the Company’s and the guarantors’ assets, in each case, subject to certain prior liens and other exceptions.

The preceding summaries of the Indenture, the Security Agreement, and the Escrow Agreement are qualified in their entireties by reference to the text of the Indenture, the Security Agreement, and the Escrow Agreement, which are filed as Exhibits 10.1, 10.2, and 10.3 hereto, respectively, and incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

As of March 31, 2012, the Company had \$215.0 million in aggregate principal amount of 3.25% convertible notes due September 28, 2012 (the "Convertible Subordinated Notes") outstanding. In connection with the issuance of the Notes under the Indenture, the Company has received \$42.5 million in aggregate principal amount of Convertible Subordinated Notes in exchange for \$42.5 million of the Notes. The Company also expects to repay \$82.5 million in aggregate principal amount of Convertible Subordinated Notes with the proceeds from the sale of the Notes and the remaining \$90.0 million in aggregate principal amount of Convertible Subordinated Notes and accrued and unpaid interest on the Convertible Subordinated Notes using cash on hand on September 28, 2012.

The information in this Item 7.01 is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section or Sections 11 and 12(a)(2) of the Securities Act. Such information shall not be incorporated by reference into any filing with the Securities and Exchange Commission made by Nektar Therapeutics, whether made before or after the date hereof, regardless of any general incorporation language in such filing.

Forward-Looking Statements

This report on Form 8-K contains forward-looking statements, which involve substantial risks and uncertainties including but not limited to: (i) the Notes include a number of covenants and conditions and, in certain cases, if the Company fails to comply with these covenants and conditions, the maturity date of the Notes could be accelerated and penalties and premiums could apply, and (ii) our financial performance is subject to the significant risk of unplanned revenue shortfalls, unplanned expenses, and expenses being higher than planned, any of which could significantly and adversely affect our cash on hand on September 28, 2012 and our ability to repay the remaining Convertible Subordinated Notes. Actual results could differ materially from the forward-looking statements and Nektar undertakes no obligation to update forward-looking statements, whether as a result of new information, future events or otherwise.

Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee will serve as Paying Agent for the Notes.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.10 and 4.15 hereof).

(3) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(4) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the mailing of a notice of redemption under Section 3.03 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(5) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(6) The Trustee will, upon receipt of an Authentication Order, authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(8) Trustee and the Registrar shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(9) Neither the Trustee nor any agent of the Trustee shall have any responsibility for any actions taken or not taken by the Depositary.

(10) The Trustee shall have no responsibility or obligation to any Participant or Indirect Participant or any other Person with respect to the accuracy of the books or records, or the acts or omissions, of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant or Indirect Participant or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depositary subject to the Applicable Procedures. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its Participants or Indirect Participants.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee will, upon receipt of an Authentication Order, authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Notes, if any, known by the Company to be owned or held by or for the account of any of the above described Persons, and the Trustee shall be entitled to accept and rely upon such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any determination.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will, upon receipt of an Authentication Order, authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Evidence of the cancellation of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed (in the case of Notes held in book entry form, by electronic transmission) to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption on a *pro rata* basis to the extent practicable, subject to the applicable procedures of the Depository unless otherwise required by law or applicable stock exchange requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase. No Notes of \$2,000 or less can be redeemed in part.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.10 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail (in the case of Notes held in book entry form, by electronic transmission), a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
 - (2) the redemption price;
 - (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
 - (4) the name and address of the Paying Agent;
 - (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
 - (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
 - (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days (or such shorter notice as may be agreed to by the Trustee) prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to July 15, 2015, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture at a redemption price of 112% of the principal amount, plus accrued and unpaid interest, if any, to the redemption date (subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date), with the net cash proceeds of one or more Public Equity Offerings of the Company; *provided that*:

- (1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering, upon not less than 30 nor more than 60 days' prior notice and otherwise in accordance with the procedures set forth in this Indenture.

Notice of any redemption upon any such Public Equity Offering may be given prior to the completion thereof, and any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Public Equity Offering.

(b) At any time prior to July 15, 2015, the Company may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding two paragraphs, the Notes will not be redeemable at the Company's option prior to July 15, 2015.

(d) On or after July 15, 2015, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2015	109.0%
2016	104.5%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *[Reserved]*

Section 3.10 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an "Asset Sale Offer"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “Offer Period”). No later than three Business Days after the termination of the Offer Period (the “Purchase Date”), the Company will apply all Excess Proceeds (the “Offer Amount”) to the purchase of Notes or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.10 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;
- (5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in denominations of \$2,000 or an integral multiple of \$1,000 in excess thereof;
- (6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes to be purchased on a *pro rata* basis based on the principal amount of Notes surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.10. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company in the form of an Authentication Order, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.10, any purchase pursuant to this Section 3.10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of and interest and premium, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, interest and premium, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, interest and premium, if any, then due.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 2% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes, within the time periods specified in the SEC's rules and regulations:

(1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Company were required to file such reports; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

(b) If the Company has designated any of its Subsidiaries as Royalty Transaction Subsidiaries, then at the time of the quarterly and annual reports referred to in Section 4.03(a)(1), the Company shall make available to the Holders (separately from such reports, if the Company so elects) a reasonably detailed presentation of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Royalty Transaction Subsidiaries of the Company.

(c) All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on the Company's consolidated financial statements by the Company's certified independent accountants. In addition, the Company will file a copy of each of the reports referred to in clauses (a)(1) and (a)(2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such filing) and will post the reports on its website within those time periods. The availability of the foregoing materials on the SEC's EDGAR service (or any successor thereto) shall be deemed to satisfy the Company's delivery obligation, it being understood that the Trustee shall have no obligation whatsoever to determine if such information has been posted.

(d) If, at any time, the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Company will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the SEC within the time periods specified above unless the SEC will not accept such filings. The Company will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept the Company's filings for any reason, the Company will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(e) Furthermore, the Company agrees that, for so long as any Notes remain outstanding, it will furnish to the holders of Notes, beneficial owners of the Notes, bona fide prospective investors, securities analysts and market makers, upon their request, the reports described above and any other information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(f) Without limiting any other obligations of the Company hereunder, with a view to making available to the holders of Notes the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the holders to sell securities of the Company to the public without registration, until the first anniversary of the date of issuance of the Notes the Company shall:

(1) make and keep public information available, as those terms are understood and defined in Rule 144;

(2) file with the SEC all reports and other documents specified in applicable provisions of Rule 144 that are required of the Company under the Securities Act and the Exchange Act within the time periods specified in the SEC's rules and regulations; and

(3) so long as the holders own Notes, promptly upon request, furnish to holders (i) a written statement by the Company that it has complied with the reporting requirements of the Securities Act and the Exchange Act as required for applicable provisions of Rule 144, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents filed by the Company with the Company and (iii) such other information as may be reasonably requested to permit the holders to sell such securities pursuant to Rule 144 without registration.

Section 4.04 *Compliance Certificate.*

(a) The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year, commencing with the fiscal year ending December 31, 2012, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture and the other Indenture Documents, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and the other Indenture Documents and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture or the other Indenture Documents (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, within 30 days of any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws.*

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Restricted Payments.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company (it being understood for the avoidance of doubt that any right to purchase Equity Interests at a discount pursuant to an implementation of the Company's existing shelf shareholder rights plan shall be deemed to be a distribution payable solely in Equity Interests) and other than dividends or distributions payable to the Company or a Restricted Subsidiary of the Company);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any direct or indirect parent of the Company;

(3) (x) make any principal payment on, or purchase, redeem, defease or otherwise acquire or retire for value (i) any Indebtedness of the Company or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), (ii) the Permitted Convertible Notes or (iii) any other Indebtedness of the Company except those incurred pursuant to clauses (2), (3), (4), (6) (to the extent the Indebtedness under such clause (6) is owed to the Company or a Guarantor), (8), (10), (11), (13), (15) and (16) of Section 4.09(b) hereof (such Indebtedness described in the preceding clauses (i), (ii) and (iii) collectively, "*Prepayment Restricted Indebtedness*"), in each case prior to the Stated Maturity thereof, or (y) make any interest payment on any Prepayment Restricted Indebtedness, other than regularly scheduled interest; or

(4) make any Restricted Investment

(all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "*Restricted Payments*"),

unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the date of this Indenture (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6) and (9) of paragraph (b) of this Section 4.07), is less than the sum, without duplication, of

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from July 1, 2012 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); plus

(B) 100% of the aggregate net cash proceeds received by the Company since the date of this Indenture as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities of the Company that have been converted into or exchanged for such Equity Interests (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of the Company); plus

(C) to the extent that any Restricted Investment that was made after the date of this Indenture is sold for cash or otherwise liquidated or repaid for cash, the lesser of (i) the cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (ii) the initial amount of such Restricted Investment.

Notwithstanding the foregoing, (x) the aggregate amount of Restricted Payments of the type described in clauses (1) and (2) above made by the Company (other than if made pursuant to clauses (4), (5), (6) or (9) of paragraph (b) of this Section 4.07) shall not exceed \$10.0 million, whether made pursuant to the Section 4.07(a) or 4.07(b) and (y) the Company may not make any Restricted Payments of the type described in clause (3) of paragraph (a) of this Section 4.07 except pursuant to clauses (3) and (10) of paragraph (b) of this Section 4.07.

(b) The provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

(2) [Reserved];

(3) the repayment, repurchase, redemption, defeasance or other acquisition or retirement for value of (A) Prepayment Restricted Indebtedness with the net cash proceeds from, or in exchange for, a substantially concurrent incurrence of Permitted Refinancing Indebtedness and (B) the Existing Subordinated Notes;

(4) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of the Company to the holders of its Equity Interests on a pro rata basis;

(5) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(6) the declaration and payment of customary regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any Restricted Subsidiary of the Company issued on or after the date hereof in compliance with Section 4.09;

(7) so long as no Default has occurred and is continuing or would be caused thereby, the declaration and payment of customary regularly scheduled or accrued dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the date hereof; *provided, however*, that (A) for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a pro forma basis (including a pro forma application of the net proceeds therefrom), the Company would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00 and (B) the aggregate amount of dividends declared and paid pursuant to this clause (7) does not exceed the net cash proceeds actually received by the Company from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the date hereof;

(8) the payment of dividends on the Company's common stock of up to 6% per annum of the net proceeds received by the Company from any public offering of common stock of the Company;

(9) Restricted Payments by the Company or any Restricted Subsidiary to allow the payment in good faith of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(10) the repurchase, redemption or other acquisition or retirement for value of any convertible notes in connection with a Change of Control pursuant to change of control provisions customary for convertible notes; *provided* that a Change of Control Offer has been made with respect to such Change of Control and all Notes tendered by Holders of the Notes in connection with such Change of Control Offer have been repurchased; and

(11) so long as no Default has occurred and is continuing or would be caused thereby, other Restricted Payments in an aggregate amount not to exceed \$5.0 million since the date hereof.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Subsidiaries.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(2) make loans or advances to the Company or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

(b) The restrictions in Section 4.08(a) hereof will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements governing Existing Indebtedness as in effect on the date of this Indenture;

(2) the Indenture Documents;

(3) agreements or instruments governing Indebtedness, Disqualified Stock or Preferred Stock incurred in compliance with Section 4.09 hereof; *provided* that the encumbrances or restrictions contained therein, taken as a whole, are not materially more restrictive than those contained in the Indenture Documents, in each case, as then in effect;

(4) applicable law, rule, regulation or order, or pursuant to any agreement relating to a judgment, settlement, or compromise of any litigation, arbitration or other dispute;

(5) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; provided that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(6) customary non-assignment provisions in contracts and licenses entered into in the ordinary course of business;

(7) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in Section 4.08(a)(3) hereof;

(8) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending the sale or other disposition;

(9) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(10) Liens permitted to be incurred under the provisions of Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting the disposition or distribution of assets or property in agreements governing Collaboration Transactions, agreements governing Royalty Transactions, intellectual property licenses, joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements, and other similar agreements entered into with the approval of the Company's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(12) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; and

(13) any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of any agreements specified in the preceding clauses (1) through (12); *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in the applicable original agreement.

(c) For purposes of determining compliance with this Section 4.08, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Company or a Restricted Subsidiary of the Company to other Indebtedness incurred by the Company or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 4.09 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt), and the Company will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided* that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Guarantors may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

(1) the incurrence by the Company or any Guarantor of Indebtedness that is expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor, in an aggregate principal amount at any one time outstanding under this clause (1) not to exceed \$35.0 million; *provided* that such subordinated Indebtedness has a final maturity date that is no earlier than one year after the date on which the Notes mature;

(2) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness;

(3) the incurrence by the Company and the Guarantors of Indebtedness represented by the Notes and the related Note Guarantees to be issued on the date hereof;

(4) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness, Disqualified Stock and Preferred Stock of Restricted Subsidiaries of the Company (including Capitalized Lease Obligations) to finance (whether prior to or within 270 days after) the purchase, lease, construction or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets (but no other material assets)), including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (4), in an aggregate principal amount not to exceed \$5.0 million at any time outstanding;

(5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.09(a) or clauses (2) (other than the Existing Subordinated Notes), (3), (4), (5), (14) and (17) of this Section 4.09(b);

(6) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(a) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary of the Company,

will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) the issuance by any of the Company's Restricted Subsidiaries to the Company or to any of its Restricted Subsidiaries of shares of preferred stock; *provided, however*, that:

(a) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(b) any sale or other transfer of any such preferred stock to a Person that is not either the Company or a Restricted Subsidiary of the Company,

will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this clause (7);

(8) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(9) the guarantee by the Company or any of the Guarantors of Indebtedness of the Company or a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to the Notes, then the Guarantee shall be subordinated to the same extent as the Indebtedness guaranteed;

(10) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, performance and surety bonds in the ordinary course of business;

(11) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five business days;

(12) [Reserved];

(13) Collaboration Transactions and Royalty Transactions, to the extent involving an incurrence of Indebtedness;

(14) the incurrence by the Company or any of its Restricted Subsidiaries of Acquired Debt that is not incurred in connection with, or in contemplation of, the related acquisition; provided, however, that after giving effect to the related acquisition and the Incurrence of such Indebtedness either: (x) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of this covenant; or (y) the Fixed Charge Coverage Ratio would be greater than immediately prior to such acquisition;

(15) Indebtedness of Foreign Subsidiaries in an aggregate principal amount at any time outstanding not to exceed \$2.5 million;

(16) Indebtedness of the Company or any of its Restricted Subsidiaries arising from agreements for adjustment of purchase price, earn-outs, contingent milestone payments or similar obligations in each case incurred in connection with (a) any disposition or acquisition of any business, asset, property or Subsidiary of the Company, to the extent the related disposition or acquisition is permitted under this Indenture, (b) any license arrangement pursuant to which the Company or any of its Restricted Subsidiaries acquires intellectual property or other rights useful in a Permitted Business; and

(17) the incurrence by the Company or any of the Guarantors of additional Indebtedness, Disqualified Stock or Preferred Stock of Restricted Subsidiaries of the Company in an aggregate principal amount at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (17), not to exceed \$10.0 million.

Notwithstanding anything to the contrary in the foregoing, other than (x) Indebtedness incurred pursuant to clauses (2), (3), (4), (6) (to the extent the Indebtedness under such clause (6) is owed to the Company or a Guarantor), (8), (10), (11), (13), (15) and (16) of paragraph (b) of this Section 4.09 and (y) Indebtedness (i) that constitutes an issuance of convertible notes at a rate of interest no higher than 6.0% per annum, (ii) with an aggregate principal amount at any time outstanding not exceeding \$100.0 million, (iii) with no amortization prior to Stated Maturity other than pursuant to customary change of control provisions, (iv) with a Stated Maturity that is no earlier than 91 days after the date on which the Notes mature and (v) the Net Proceeds of which are applied in accordance with Section 4.10 (the “Permitted Convertible Notes”), all Indebtedness incurred pursuant to this covenant shall be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, will not provide for amortization prior to Stated Maturity and have a Stated Maturity that is no earlier than 91 days after the date on which the Notes mature.

The Company will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms.

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (or portion thereof) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (17) above or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company will be permitted to classify such item of Indebtedness (or portion thereof) on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness (or portion thereof), in any manner that complies with this Section 4.09. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 4.09; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of the Company as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

The amount of any Indebtedness outstanding as of any date will be:

- (4) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (5) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (6) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of;
- (2) in the case of Asset Sales other than those constituting Royalty Transactions, at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents; and
- (3) if the Asset Sale would constitute a Change of Control, the Company shall have complied with all of its obligations under Section 4.15 hereof; *provided* that with respect to such Asset Sale, the Company shall not be required to make an Asset Sale Offer if a Change of Control Offer has been made.

For purposes of this provision, each of the following shall be deemed to be cash:

- (a) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation or assumption agreement that releases the Company or such Restricted Subsidiary from further liability or that are otherwise cancelled or terminated in connection with the transaction with such transferee;
- (b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 90 days of the receipt thereof, to the extent of the cash received in that conversion; and
- (c) any stock or assets of the kind referred to in clause (1) or (3) of the next paragraph of this Section 4.10.

Within (i) 360 days after the receipt of any Net Proceeds (other than Applicable Net Royalty Proceeds) from an Asset Sale or Applicable Transaction described in clause (1) of the definition of Applicable Transactions or (ii) 540 days after receipt of any Net Proceeds from an Applicable Transaction described in clause (2) of the definition of Applicable Transaction, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

- (1) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Company;
- (2) to make a capital expenditure in a Permitted Business;
- (3) to license or acquire intellectual property and other rights in respect of technologies, drug candidates, drugs and assets related or incidental thereto; or

(4) to make research and development expenditures that in the Company's good faith judgment are useful with respect to a Permitted Business.

Pending the final application of any Net Proceeds, the Company may invest the Net Proceeds in any manner that is not prohibited by this Indenture; provided that Net Proceeds attributable to an Asset Sale of assets, rights or Equity Interests that constitute Collateral may only be invested in Cash Equivalents that shall be held in an account in which the Collateral Agent has a first priority perfected security interest, subject to Permitted Liens, for its benefit, the benefit of the Trustee and the benefit of the Holders of the Notes in accordance with this Indenture and the Collateral Documents; *provided* further that a binding commitment to apply Net Proceeds as set forth in clause (1) or (3) above or a statement in an Officer's Certificate that Net Proceeds will be applied as set forth in clause (4) above shall be treated as a permitted application of the Net Proceeds from the date of such commitment or statement so long as the Company or such Restricted Subsidiary enters into such commitment or makes such statement with the good faith expectation that such Net Proceeds will be applied in a manner consistent with such commitment or statement within 180 days of such commitment or statement and, in the event such commitment is later cancelled or terminated, or such statement withdrawn, for any reason before the Net Proceeds are applied in connection therewith, then such Net Proceeds shall constitute Excess Proceeds.

Any Net Proceeds from Asset Sales or Applicable Transactions that are not applied or invested as provided in the second paragraph of this Section 4.10 will constitute "*Excess Proceeds*" (it being understood that Net Proceeds from an Applicable Transaction described in clause (3) of the definition of Applicable Transactions shall constitute Excess Proceeds immediately upon receipt). Within five Business Days after the aggregate amount of Excess Proceeds exceeds \$2.5 million, the Company will make an Asset Sale Offer to all Holders of Notes to purchase the maximum principal amount of Notes that may be purchased with the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest, if any, to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a *pro rata* basis to the extent practicable, subject to the applicable procedures of the depository. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.10 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.10 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an "*Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$5.0 million, a resolution of the Board of Directors of the Company set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$10.0 million, an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing, which opinion shall be conclusive evidence that the standard set forth in clause (1) of this Section 4.11(a) has been satisfied (whether or not such Affiliate Transaction or series of related Affiliate Transactions involve aggregate consideration in excess of \$10.0 million).

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan, officer or director indemnification agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company and/or its Restricted Subsidiaries and transactions between or among the Company and/or Restricted Subsidiaries on the one hand and a Royalty Transaction Subsidiary on the other hand in connection with a Royalty Transaction;

(3) payment of reasonable directors' fees to Persons who are not otherwise Affiliates of the Company;

(4) any issuance or sale of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company;

(5) Restricted Payments that do not violate the provisions of Section 4.07 hereof;

(6) pledges of Equity Interests of Royalty Transaction Subsidiaries; and

(7) loans or advances to employees in the ordinary course of business not to exceed \$2.5 million in the aggregate at any one time outstanding.

Section 4.12 *Liens.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

Section 4.13 *Business Activities.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) The Company shall not consummate any Change of Control unless, no later than substantially concurrently with such consummation, each Holder will have the right to require the Company to repurchase all or any part of that Holder's Notes pursuant to a Change of Control Offer.

(b) At least 30 days prior to a Change of Control, the Company will make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the "*Change of Control Payment*").

(c) At least 30 days prior to a Change of Control, the Company will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;

(2) the purchase price and the purchase date, which shall be no earlier than 15 days prior to and no later than the date on which such Change of Control is consummated; *provided* that if the Change of Control Payment Date is the date of consummation of the Change of Control, the payment for the repurchase of Notes will be made at a time no later than substantially concurrently with the consummation of such Change of Control (the "*Change of Control Payment Date*");

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(d) A Change of Control Offer may be conditioned upon the occurrence of the related Change of Control.

(e) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that any such new Notes will be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(f) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption for all of the Notes has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

(g) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.15 hereof, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

Section 4.16 *Royalty Transactions Repurchase Offer.*

Within five Business Days of the receipt of any Net Proceeds of any Royalty Transaction newly entered into by the Company or any of its Restricted Subsidiaries following the date hereof, the Company shall mail a notice describing the applicable Royalty Transaction and offering to repurchase Notes (such offer, a “*Royalty Transactions Repurchase Offer*”) in an amount up to 25% of such Net Proceeds, at a price of 100% of the principal amount, plus accrued and unpaid interest, if any, to the Repurchase Date (subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date). Once the aggregate amount of repurchases completed pursuant to Royalty Transactions Repurchase Offers has reached \$25.0 million, the Company’s obligation to make Royalty Transactions Repurchase Offers will terminate and be of no further force or effect. If any Royalty Transactions Repurchase Offer would otherwise result in the aggregate amount of all completed repurchases exceeding \$25.0 million, the amount to be repurchased shall be reduced by an amount such that the total of all completed repurchases including pursuant to such Royalty Transactions Repurchase Offer equals \$25.0 million.

The Royalty Transactions Repurchase Offer shall be made to all Holders and will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “*Royalty Transactions Repurchase Offer Period*”). No later than three Business Days after the termination of the Royalty Transactions Repurchase Offer Period (the “*Repurchase Date*”), the Company will apply all Applicable Net Royalty Proceeds (the “*Royalty Transactions Repurchase Offer Amount*”) to the purchase of Notes or, if less than the Royalty Transactions Repurchase Offer Amount has been tendered, all Notes tendered in response to the Royalty Transactions Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Repurchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Royalty Transactions Repurchase Offer.

Upon the commencement of a Royalty Transactions Repurchase Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Royalty Transactions Repurchase Offer. The notice, which will govern the terms of the Royalty Transactions Repurchase Offer, will state:

- (1) that the Royalty Transactions Repurchase Offer is being made pursuant to this Section 4.16 and the length of time the Royalty Transactions Repurchase Offer will remain open;

- (2) the Royalty Transactions Repurchase Offer Amount, the purchase price and the Repurchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Royalty Transactions Repurchase Offer will cease to accrue interest after the Repurchase Date;
- (5) that Holders electing to have a Note purchased pursuant to a Royalty Transactions Repurchase Offer may elect to have Notes purchased in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof;
- (6) that Holders electing to have Notes purchased pursuant to any Royalty Transactions Repurchase Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Repurchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Royalty Transactions Repurchase Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes surrendered by holders thereof exceeds the Royalty Transactions Repurchase Offer Amount, the Trustee will select the Notes to be purchased on a *pro rata* basis to the extent practicable, subject to applicable procedures of the Depositary (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, will be purchased); and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Repurchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Royalty Transactions Repurchase Offer Amount of Notes or portions thereof tendered pursuant to the Royalty Transactions Repurchase Offer, or if less than the Royalty Transactions Repurchase Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 4.16. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Repurchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company in the form of an Authentication Order, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Royalty Transactions Repurchase Offer on the Repurchase Date.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with each repurchase of Notes pursuant to a Royalty Transactions Repurchase Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Section 4.16, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 4.16 hereof by virtue of such compliance.

Section 4.17 *Additional Note Guarantees.*

If (x) the Company or any of its Restricted Subsidiaries acquires or creates another Domestic Restricted Subsidiary after the date hereof, (y) the Company acquires or creates another Foreign Subsidiary that is a Restricted Subsidiary and a Guarantee by such Subsidiary would not (i) result in material adverse tax consequences under Section 956 of the Internal Revenue Code or any successor provision thereto or (ii) is permitted under applicable law, or (z) the total assets or revenues of Nektar Therapeutics UK Limited constitute more than 1.0% of the consolidated total assets or consolidated revenues, respectively, of the Company and a Guarantee by it would not result in material adverse tax consequences under Section 956 of the Internal Revenue Code or any successor provision thereto, then that newly acquired or created Domestic Restricted Subsidiary, Foreign Subsidiary or Nektar Therapeutics UK Limited, as applicable, will within 10 Business Days of the date on which it was acquired or created or, in the case of Nektar Therapeutics UK Limited, the date on which its total assets or revenues exceed the threshold set forth in clause (z) above, (i) execute and deliver to the Trustee a supplemental indenture substantially in the form attached hereto as Exhibit E pursuant to which such Domestic Restricted Subsidiary, Foreign Subsidiary or Nektar UK Limited will Guarantee the Notes, (ii) execute and deliver to the Collateral Agent joinder agreements or other similar agreements with respect the applicable Collateral Documents (or foreign equivalents, subject to customary practice in the applicable jurisdiction) and (iii) deliver to the Trustee an Opinion of Counsel that such supplemental indenture and other documents required to be delivered pursuant to clause (ii) above have been duly authorized, executed and delivered and constitute legally valid and binding and enforceable obligations (subject to customary qualifications and exceptions). Notwithstanding anything to the contrary in the foregoing, if any Restricted Subsidiary that is a Foreign Subsidiary owns any intellectual property that is material to the Company's business, such Foreign Subsidiary shall become a Guarantor in accordance with the requirements of this Section 4.17 within 10 Business Days of the acquisition of such intellectual property.

Section 4.18 *Designation of Royalty Transaction Subsidiaries.*

The Board of Directors of the Company may designate any newly-formed Subsidiary to be a Royalty Transaction Subsidiary in connection with, or in contemplation of, a Royalty Transaction.

Any designation of a Subsidiary of the Company as a Royalty Transaction Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officer's Certificate certifying that such designation complied with the requirements specified in the definition of "Royalty Transaction Subsidiary." If, at any time, any Royalty Transaction Subsidiary would fail to meet the requirements of a Royalty Transaction Subsidiary, it will thereafter cease to be a Royalty Transaction Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Company will be in default of such Section.

Section 4.19 *Maintenance of Property and Insurance.*

The Company will, and will cause each of its Restricted Subsidiaries to, keep all property material to the operation of the business of the Company and its Restricted Subsidiaries, taken as a whole, in good working order and condition in all material respects, ordinary wear and tear and casualty loss excepted; *provided* that the Company shall not be obligated to comply with the foregoing provisions of this Section 4.19 to the extent that the failure to do so is not adverse in any material respect to the Holders of the Notes.

The Company will, and will cause each of its Restricted Subsidiaries to, (i) maintain with one or more insurance companies of national standing insurance on all property material to the operation of the business of the Company and its Restricted Subsidiaries, taken as a whole, in at least such amounts and against at least such risks as are determined by the Company in good faith to be reasonable and prudent, taking into account the risks that are usually insured against in the same general area by companies engaged in the same or similar businesses (in each case, after giving effect to any self-insurance determined by the Company to be reasonable and prudent, taking into account the practices of similarly situated Persons engaged in the same or similar businesses), and (ii) deliver copies of all such insurance policies to the Collateral Agent with an endorsement naming the Collateral Agent as a loss payee or additional insured, as appropriate.

Section 4.20 *Real Estate Mortgages and Filings.*

With respect to any real property owned in fee simple by the Company or any Guarantor, where such owned real property has a Fair Market Value in excess of \$5.0 million located in the United States (the “Premises”), the Company or such Guarantor shall use commercially reasonable efforts to, within 90 days of the later of (x) the date hereof and (y) the acquisition thereof, deliver to the Collateral Agent:

(1) as mortgagee, for its benefit, the benefit of the Trustee and the benefit of the Holders of the Notes, fully executed counterparts of Mortgages, duly executed by the Company or the applicable Guarantor, as the case may be, and corresponding UCC fixture filings, together with evidence of the completion (or satisfactory arrangements for the completion) of all recordings and filings of such Mortgages and corresponding UCC fixture filings as may be necessary to create a valid, perfected Lien, subject to Permitted Liens, against the Premises purported to be covered thereby;

(2) (lenders’ or mortgagee’s title insurance policies (“Lenders’ Policies”) issued to the Collateral Agent in an amount equal to 100% of the Fair Market Value of the Premises purported to be covered by the related Mortgages, insuring Collateral Agent’s interest as mortgagee in such property, which interests are created by the Mortgages and are free and clear of all Liens, defects and encumbrances other than Permitted Liens, and such policies shall also include, to the extent commercially available and issued at reasonable and ordinary rates, customary endorsements and shall be accompanied by evidence of the payment in full (or satisfactory arrangements for the payment in full) of all premiums thereon; in furtherance of satisfaction of the delivery obligations in this clause (2), Company shall deliver to the title insurer issuing the Lenders’ Policies such customary affidavits, certificates, instruments of indemnification and other items (including a so-called “gap” indemnification) as shall be reasonably required of the title insurer to issue the Lenders’ Policies and endorsements referenced herein with respect to each of the Premises;

(3) (i) updated surveys of such Premises, or (ii) the most recent surveys of such Premises, together with either (a) an updated survey certification in favor of the Collateral Agent from the a licensed surveyor stating that, based on a visual inspection of the applicable real property and the actual knowledge of the surveyor, there appear to have been no change in the facts depicted in the survey or (b) an affidavit and/or indemnity from the Company or the applicable Guarantor, as the case may be, stating that, to its actual knowledge, it has not caused or permitted any change in the facts depicted in the survey, other than, in each case, changes that do not materially adversely affect the use by the Company or such Guarantor, as applicable, of such Premises for the Company or such Guarantor’s business as so conducted, or intended to be conducted, at such Premises; and in each case, in form and substance as may be reasonably requested by the title insurer issuing the Lenders’ Policies so that it may remove the standard survey and survey-related exceptions from such policies and issue the survey, survey-related, and other endorsements required pursuant to clause (2) above to such policy;

(4) Opinions of Counsel in the jurisdictions where such Premises are located, in each case that such Mortgage (i) has been duly authorized, executed and delivered by the Company or such Guarantor, (ii) constitutes a legal, valid and binding obligation of the Company or such Guarantor, enforceable against the applicable mortgagor in accordance with its terms, and (iii) creates a valid, perfected Lien on the Premises purported to be covered thereby; and

(5) In the event any such Premises is located in a special flood hazard area, evidence of flood insurance.

Section 4.21 *Minimum Cash Balance.*

The Company will not permit the aggregate amount of unrestricted cash and Cash Equivalents of the Company and its Restricted Subsidiaries as of the last day of each of the Company’s two most recently ended fiscal quarters, as shown on the consolidated balance sheets of the Company set forth in each of the Company’s two most recently filed periodic reports filed with the SEC, to be less than the relevant amount set forth opposite such fiscal quarter below:

Fiscal Quarter Ending	Amount
On or prior to June 30, 2013	\$ 0
Sept 30, 2013 to and including June 30, 2014	\$ 0

(B) results in the acceleration of such Indebtedness prior to its express maturity; or

(C) permits the acceleration of such Indebtedness prior to its express maturity and has continued without cure or waiver for a period of 30 days from the date on which such acceleration was first permitted,

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (7) or (8) of Section 6.01 hereof, with respect to the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

A Holder may pursue a remedy with respect to this Indenture or the Notes only if:

- (1) such Holder gives to the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee and the Collateral Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Collateral Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(4) No provision of this Indenture shall require the Trustee to risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it shall be entitled to receive an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care, and the Trustee shall not be responsible for the supervision of officers and employees of such agents or attorneys or the application of any money by any Agent other than the Trustee.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The rights, privileges, protections, immunities and benefits given to the Trustee, including, its right to be compensated, reimbursed, and indemnified, and its right to resign, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder or in any Indenture Document or Collateral Document, including but not limited to its capacities as Paying Agent and Registrar, and to each agent, custodian and other Person employed to act hereunder or in any Indenture Document or Collateral Document.

(g) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(h) The Trustee need not investigate any fact or matter stated in any document delivered to it, but the Trustee, in its discretion or if directed to do so, may make such further inquiry or investigation into such facts or matters, and, if the Trustee shall determine in good faith or if directed to do so to make such further inquiry or investigation, it shall be entitled upon reasonable notice during normal business hours to examine the books, records and premises of the Company and the Guarantors, personally or by agent or attorney at the sole cost of the Company and the Guarantors and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(i) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee, and such notice references the Securities generally or the Securities of a particular Series and this Indenture.

(j) Any permissive right or authority granted to the Trustee shall not be construed as a mandatory duty.

(k) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss or profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Company shall provide prompt written notice to the Trustee of any change to its fiscal year.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each January 15th beginning with the January 15th following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange or market, if any, on which the Notes are listed or quoted in accordance with TIA § 313(d). The Company will promptly notify the Trustee in writing if the Notes become listed or quoted on any stock exchange or market or any delisting thereof.

Section 7.07 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as agreed to in writing. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will jointly and severally indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture or earlier resignation or removal of the Trustee.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture or earlier resignation or removal of the Trustee.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or (10) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee will comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 *Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12 *Trustee as Paying Agent and Collateral Agent.*

References to the Trustee in Sections 7.01(f), 7.02, 7.03, 7.04, 7.07, 7.08 and 7.09 shall include the Trustee in its role as Paying Agent, as Registrar and as Collateral Agent.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19, 4.20, 4.21 and 4.22 hereof and clause (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(5) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “Trustee”) pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company’s and the Guarantors’ obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture Documents without the consent of any Holder of Note:

- (1) to cure any ambiguity, defect or inconsistency that does not adversely affect the holders of the Notes in any material respect;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 hereof;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder; or
- (5) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release a Guarantor from its Note Guarantee in accordance with the terms of this Indenture.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture Documents with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the written request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of the Indenture Documents. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed;
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium, if any, on, the Notes;
- (7) waive a redemption payment with respect to any Note (other than a payment required by Sections 4.10, 4.15 and 4.16 hereof);
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;
- (9) expressly subordinate the Notes or any Note Guarantees in right of payment, or expressly subordinate the Lien securing the Notes and the Note Guarantees;
- (10) make any change in the preceding amendment and waiver provisions; or

(11) release all or substantially all of the Collateral from the Liens securing the Notes.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee will receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions of this Indenture.

ARTICLE 10
COLLATERAL AND SECURITY

Section 10.01 *Grant of Security Interest; Collateral Documents.*

The due and punctual payment of the principal of and interest, if any, on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest (to the extent permitted by law), if any, on the Notes and performance of all other obligations of the Company to the Holders of Notes or the Trustee under the Indenture Documents, according to the terms hereunder or thereunder, are secured as provided in the Collateral Documents which the Company has entered into simultaneously with the execution of this Indenture. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Collateral Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with its terms and authorizes and directs the Collateral Agent to enter into the Collateral Documents and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company will deliver to the Trustee copies of all documents delivered to the Collateral Agent pursuant to the Collateral Documents, and will do or cause to be done all such acts and things as may be required by the provisions of the Collateral Documents, to assure and confirm to the Trustee and the Collateral Agent the security interest in the Collateral contemplated hereby, by the Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company will take, and will cause its Subsidiaries to take, upon request of the Trustee, any and all actions reasonably required to cause the Collateral Documents to create and maintain, as security for the Obligations of the Company hereunder, a valid and enforceable perfected first priority Lien in and on all the Collateral, in favor of the Collateral Agent for its benefit, the benefit of the Trustee and for the benefit of the Holders, superior to and prior to the rights of all third Persons and subject to no other Liens than Permitted Liens. For the avoidance of doubt, neither the Trustee nor the Collateral Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the security interest in any of the Collateral.

Section 10.02 *Recording and Opinions.*

(a) The Company will furnish to the Trustee simultaneously with the execution and delivery of this Indenture an Opinion of Counsel with respect to the Collateral Documents and the Lien created by the Collateral Documents in a form acceptable to the initial purchasers of the Notes and their counsel.

(b) The Company will furnish to the Collateral Agent and the Trustee, within 60 days after each January 15th, beginning with the January 15th following the date of this Indenture, an Opinion of Counsel, dated as of such date, either:

(1) (A) stating that, in the opinion of such counsel, action has been taken with respect to the recording, registering, filing, re-recording, re-registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as is necessary to maintain the Lien of the Collateral Documents and reciting with respect to the security interests in the Collateral the details of such action or referring to prior Opinions of Counsel in which such details are given, and (B) stating that, in the opinion of such counsel, based on relevant laws as in effect on the date of such Opinion of Counsel, all financing statements and continuation statements have been executed and filed that are necessary as of such date and during the succeeding 12 months fully to preserve and protect, to the extent such protection and preservation are possible by filing, the rights of the Holders of Notes and the Collateral Agent and the Trustee hereunder and under the Collateral Documents with respect to the security interests in the Collateral;

(2) stating that, in the opinion of such counsel, no such action is necessary to maintain such Lien and assignment.

Section 10.03 *Release of Collateral.*

(a) The Collateral Agent shall not at any time release Collateral from the security interests created by the Collateral Documents unless such release is in accordance with the provisions of this Indenture and the applicable Collateral Documents.

(b) The Collateral Agent shall be entitled to request and rely upon an Officer's Certificate and/or an Opinion of Counsel in connection with any release of Collateral from the Lien and security interest created by the Collateral Documents.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of the Collateral Documents will be effective as against the Holders of Notes.

Section 10.04 *[Reserved]*.

Section 10.05 *[Reserved]*.

Section 10.06 *Authorization of Actions to Be Taken by the Trustee Under the Collateral Documents.*

Subject to the provisions of Section 7.01 and 7.02 hereof, the Trustee may, in its sole discretion and without the consent of the Holders of Notes, direct, on behalf of the Holders of Notes, the Collateral Agent to, take all actions it deems necessary or appropriate in order to:

- (1) enforce any of the terms of the Collateral Documents; and
- (2) collect and receive any and all amounts payable in respect of the Obligations of the Company hereunder.

The Trustee will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

Section 10.07 *Authorization of Receipt of Funds by the Trustee Under the Collateral Documents.*

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Collateral Documents, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

Section 10.08 *Termination of Security Interest.*

Upon the payment in full of all Obligations of the Company under this Indenture and the Notes, or upon Legal Defeasance, the Trustee will, at the written request of the Company, deliver a certificate to the Collateral Agent stating that such Obligations have been paid in full, and instruct the Collateral Agent to release the Liens pursuant to this Indenture and the Collateral Documents.

ARTICLE 11
NOTE GUARANTEES

Section 11.01 *Guarantee.*

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Indenture Documents.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 *Execution and Delivery of Note Guarantee.*

Each Guarantor hereby agrees that its execution and delivery of this Indenture or any supplemental indenture in the form of Exhibit E hereto on behalf of such Guarantor by an Officer thereof in accordance with Section 4.17 hereof shall evidence its Note Guarantee set forth in this Article 11 without the need for any further notation on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note guaranteed by any Guarantor under its Note Guarantee, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the date of this Indenture, if required by Section 4.17 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.17 hereof and this Article 11, to the extent applicable.

Section 11.04 *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 11.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) such sale or other disposition (which for the avoidance of doubt shall constitute an Asset Sale or, if applicable, a Change of Control) does not violate Section 4.10 hereof or, if such sale or disposition constitutes a Change of Control, Section 4.15 hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clause 2 above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 11.05 *Releases.*

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Capital Stock of any Guarantor, in each case to a Person that is not (either before or after giving effect to such transactions) the Company or a Restricted Subsidiary of the Company, then such Guarantor (in the event of a sale or other disposition, by way of merger, consolidation or otherwise, of all of the Capital Stock of such Guarantor) or the corporation acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) will be released and relieved of any obligations under its Note Guarantee; *provided* that the sale or other disposition (which for the avoidance of doubt shall constitute an Asset Sale or, if applicable, a Change of Control) does not violate Section 4.10 hereof or, if such sale or disposition constitutes a Change of Control, Section 4.15 hereof. Upon delivery by the Company to the Trustee of an Officer's Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture, including without limitation Section 4.10 hereof or, if such sale or disposition constitutes a Change of Control, Section 4.15 hereof, the Trustee will execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(b) Upon the liquidation or dissolution of such Guarantor where the assets of such Guarantor are conveyed to the Company or a Restricted Subsidiary; *provided* that no Default or Event of Default shall occur as a result thereof or has occurred and is continuing, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

(c) Upon Covenant Defeasance or Legal Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 12 hereof, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 11.05 will remain liable for the full amount of principal of and interest and premium, if any, on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12
SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense of, the Company, or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(1) *INTEREST.* Nektar Therapeutics, a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 12.000% per annum from _____ until maturity. The Company will pay interest, semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be _____. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 2% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the January 1 or July 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of July 11, 2012 (the “*Indenture*”) among the Company, the Trustee and the Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured obligations of the Company.

(5) *OPTIONAL REDEMPTION.*

(b) At any time prior to July 15, 2015, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture at a redemption price of 112.0% of the principal amount, plus accrued and unpaid interest, if any, to the redemption date (subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date), with the net cash proceeds of one or more Public Equity Offerings of the Company; *provided* that:

- (1) at least 65% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering, upon not less than 30 nor more than 60 days' prior notice and otherwise in accordance with the procedures set forth in the Indenture.

(c) At any time prior to July 15, 2015, the Company may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(d) Except pursuant to the preceding two paragraphs, the Notes will not be redeemable at the Company's option prior to July 15, 2015.

(e) On or after July 15, 2015, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

<u>Year</u>	<u>Percentage</u>
2015	109.0%
2016	104.5%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) REPURCHASE AT THE OPTION OF HOLDER.

(a) If there is a Change of Control, the Company shall not consummate the Change of Control unless at least 30 days prior to the Change of Control, it has made an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the "*Change of Control Payment*"); provided that if the Change of Control Payment Date is the date of consummation of the Change of Control, the payment for the repurchase of Notes will be made at a time no later than substantially concurrently with the consummation of such Change of Control. The Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture within the time periods required by the Indenture.

(b) If the Company consummates any Asset Sales or Applicable Transactions, within five Business Days of each date on which the aggregate amount of Excess Proceeds exceeds \$2.5 million, the Company will commence an offer to all Holders of Notes (an "*Asset Sale Offer*") pursuant to Section 3.10 of the Indenture to purchase the maximum principal amount of Notes that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof plus accrued and unpaid interest, if any thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Notes tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes to be purchased on a *pro rata* basis to the extent practicable, subject to the applicable procedures of the Depository. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(c) Within five Business Days of the receipt of any Net Proceeds of any Royalty Transaction newly entered into by the Company or any of its Restricted Subsidiaries following the date of the Indenture, the Company shall mail a notice describing the applicable Royalty Transaction and offering to repurchase Notes (such offer, a "*Royalty Transactions Repurchase Offer*") in an amount up to 25% of such Net Proceeds, at a price of 100% of the principal amount, plus accrued and unpaid interest, if any, to the Repurchase Date. The Royalty Transactions Repurchase Offer shall be made to all Holders and will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Royalty Transactions Repurchase Offer Period*"). No later than three Business Days after the termination of the Royalty Transactions Repurchase Offer Period (the "*Repurchase Date*"), the Company will apply 25% of such Net Proceeds (the "*Royalty Transactions Repurchase Offer Amount*") to the purchase of Notes or, if less than the Royalty Transactions Repurchase Offer Amount has been tendered, all Notes tendered in response to the Royalty Transactions Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made. The Company's obligation to make Royalty Transactions Repurchase Offers shall cease once the amount of repurchases completed reaches \$25.0 million, and any applicable Royalty Transactions Repurchase Offer Amount shall be reduced accordingly.

(8) *NOTICE OF REDEMPTION.* Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption or during the period between a record date and the corresponding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note shall be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture, the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes voting as a single class. Without the consent of any Holder of a Note, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the Notes and Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes or to release a Guarantor from its Note Guarantee in accordance with the terms of the Indenture.

(12) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default for 10 days in the payment when due of interest on the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes; (iii) (x) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Sections 2.06(b)(4), 3.10, 4.10, 4.15 or 5.01 of the Indenture or (y) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Section 4.03(f) of the Indenture, and such default continues for a period of 20 days; (iv) failure by the Company or any of its Restricted Subsidiaries for 60 days after notice to the Company by the Trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture Documents; (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness (other than Indebtedness owed to the Company or any Restricted Subsidiary of the Company) for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the date of the indenture, if that default meets certain criteria set forth in the Indenture; (vi) failure by the Company or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$15.0 million (net of any amounts that a reputable and creditworthy insurance company has acknowledged liability for in writing), which judgments are not paid, discharged or stayed within a period of 60 days of the entry thereof; (vii) certain events of bankruptcy or insolvency with respect to the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (or such events in respect of Restricted Subsidiaries that are not Significant Subsidiaries to the extent they have had or would reasonably be expected to result in a Material Adverse Effect); (viii) except as permitted by the Indenture and the Collateral Documents, with respect to any assets or property having a Fair Market Value in excess of \$2.5 million, individually or in the aggregate, that constitutes or, under the indenture or the Collateral Documents is required to constitute, Collateral, (a) any of the Collateral Documents shall for any reason cease to be in full force and effect in all material respects, or the Company or a Guarantor shall so assert, or (b) any security interest created, or purported to be created, by any of the Collateral Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby, except in each case solely as a result of the Collateral Agent taking or refraining from taking any action in its sole control; and (ix) except as permitted by the Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor, or any Person acting on behalf of any Guarantor, denies or disaffirms its obligations under its Note Guarantee.

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(14) *No RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Indenture Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

WITNESSETH

WHEREAS, the Company has heretofore executed and delivered to the Trustee an indenture (the "*Indenture*"), dated as of July 11, 2012 providing for the issuance of 12.000% Senior Secured Notes due 2017(the "*Notes*");

Except as expressly contemplated in the Indenture Documents, no consent, approval, authorization or order of, and no notice to or filing with, any court, governmental authority or other Person is required in connection with the grant by each Grantor of the security interest herein or the exercise by the Collateral Agent of its rights and remedies hereunder, other than (x) those previously or contemporaneously obtained or received, (y) as may be required in connection with any disposition by laws affecting the offering and sale of securities generally or (z) as may be required in connection with the Capital Stock of issuers organized under the laws of a jurisdiction outside the United States.

(b) Payment of Taxes. The Grantors will timely pay, when due, all taxes, assessments and governmental charges or levies lawfully imposed upon the Collateral or any part thereof. The Grantors may, however, delay paying or discharging any such taxes, assessments or charges so long as the validity thereof is contested in good faith by proper proceedings and provided the Grantors have set aside on such Grantors' books adequate reserves therefor and enforcement of any lien or levy relating to such tax is effectively stayed.

(c) Perfection of Security Interest. Each Grantor shall take all actions as may be reasonably necessary or as the Collateral Agent may reasonably request in writing so as at all times to maintain the validity, perfection, enforceability and priority of the Collateral Agent's security interest in and Lien on the Collateral or to enable the Collateral Agent to protect, exercise or enforce its rights hereunder and in the Collateral, including (i) promptly discharging all Liens other than Permitted Liens and (ii) executing and delivering financing statements, control agreements, instruments of pledge, mortgages, notices and assignments, in each case relating to the creation, validity, perfection, priority, maintenance or continuation of the Collateral Agent's security interest and Lien under the UCC or other applicable law, provided, however, that such Grantor shall not be required to take any actions to perfect security interests in the Excluded Perfection Assets.

All Equipment necessary to the conduct of any Grantor's business shall be maintained in good operating condition and repair (reasonable wear and tear excepted) and all necessary replacements of and repairs thereto shall be made (reasonable wear and tear excepted). Each Grantor shall use or operate any Equipment in compliance with applicable law in all material respects. Except as permitted under the Indenture, no Grantor shall sell or otherwise dispose of any of its Equipment. Each Grantor agrees that, upon the reasonable request of the Collateral Agent (as directed by the Trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding), such Grantor will promptly provide the Collateral Agent with confirmation of the specific location of any Equipment.

(e) Direction to Account Debtors; Contracting Parties; etc. Upon the occurrence and during the continuance of an Event of Default, if the Collateral Agent so directs any Grantor, such Grantor agrees (i) to cause all payments on account of the Accounts and Contracts to be made directly to a cash account held by the Collateral Agent (the "Cash Collateral Account"), (ii) that, upon concurrent notice to such Grantor, the Collateral Agent may directly notify the obligors with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (i), and (iii) that the Collateral Agent may enforce collection of any such Accounts and Contracts and may, in consultation with such Grantor, adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Grantor. The reasonable out-of-pocket costs and expenses of collection (including reasonable attorneys' fees), whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (ii) to the relevant Grantor; provided, that (x) the failure by the Collateral Agent to so notify such Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 4 and (y) no such notice shall be required if an Event of Default of the type described in Sections 6.01(7) or (8) of the Indenture has occurred and is continuing.

(h) Grantors Remain Liable Under Accounts and Contracts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Accounts and Contracts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts or Contracts. Neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) or Contract, in each case by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any other Secured Party of any payment relating to such Account or Contract pursuant hereto, nor shall the Collateral Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto) or any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto) or Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

(k) Chattel Paper. Upon the reasonable request of the Collateral Agent made at any time or from time to time, each Grantor shall promptly furnish to the Collateral Agent a list of all electronic chattel paper held or owned by such Grantor. Furthermore, if requested by the Collateral Agent, each Grantor shall promptly take all actions which are reasonably practicable so that the Collateral Agent has “control” of all electronic chattel paper with a value of (x) so long as no Event of Default has occurred and is continuing, \$1,000,000, or (y) so long as an Event of Default has occurred and is continuing, \$100,000, in accordance with the requirements of Section 9-105 of the UCC. Each Grantor will promptly (and in any event within ten (10) days) following any request by the Collateral Agent, deliver all of its tangible chattel paper to the Collateral Agent.

(l) Additional Procedures. To the extent that any Grantor at any time or from time to time owns, acquires or obtains any right, title or interest in any Capital Stock intended to be pledged as Collateral hereunder or the form or nature of any Capital Stock shall change, the Collateral Agent shall automatically (and without the taking of any action by any Grantor) have a security interest in all of the right, title and interest of such Grantor in, to and under such Capital Stock (other than Excluded Assets) pursuant to Section 2(a) of this Agreement and, in addition thereto, such Grantor shall (to the extent provided below but not as to any Excluded Perfection Assets) take the following actions as set forth below (as promptly as practicable and, in any event, within ten (10) Business Days after it obtains such Capital Stock) for the benefit of the Collateral Agent and the other Secured Parties:

(i) with respect to a certificated security (other than a certificated security credited on the books of a clearing corporation or securities intermediary), such Grantor shall physically deliver such certificated security to the Collateral Agent, endorsed to the Collateral Agent or endorsed in blank;

(ii) with respect to an uncertificated security (other (x) than an uncertificated security credited on the books of a clearing corporation or securities intermediary or (y) an uncertificated security of a Subsidiary that does not constitute a Significant Subsidiary), such Grantor shall use commercially reasonable efforts to cause the issuer of such uncertificated security to duly authorize, execute, and deliver to the Collateral Agent, an agreement for the benefit of the Collateral Agent and the other Secured Parties substantially in the form of Annex A hereto pursuant to which such issuer agrees to comply with any and all instructions originated by the Collateral Agent without further consent by the registered owner and not to comply with instructions regarding such uncertificated security (and any Partnership Interests and Limited Liability Company Interests issued by such issuer) originated by any other Person other than a court of competent jurisdiction;

(iii) with respect to a certificated security, uncertificated security, Partnership Interest or Limited Liability Company Interest credited on the books of a clearing corporation or securities intermediary (including a Federal Reserve Bank, Participants Trust Company or The Depository Trust Company), such Grantor shall promptly notify the Collateral Agent in writing thereof and shall comply with the applicable rules of such clearing corporation or securities intermediary (A) in the case of a clearing corporation, to perfect the security interest of the Collateral Agent under applicable law (including, in any event, under Sections 9-314(a), (b) and (c), 9-106 and 8-106(d) of the UCC) or (B) in the case of a securities intermediary, if required to perfect the security interest of the Collateral Agent under applicable law (including, in any event, under Sections 9-314(a), (b) and (c), 9-106 and 8-106(d) of the UCC); and

(iv) with respect to a Partnership Interest or a Limited Liability Company Interest (other than a Partnership Interest or Limited Liability Company Interest credited on the books of a clearing corporation or securities intermediary), (1) if such Partnership Interest or Limited Liability Company Interest is represented by a certificate and is a security for purposes of the UCC, follow the procedure set forth in Section 4(l)(i) hereof, and (2) if such Partnership Interest or Limited Liability Company Interest is not represented by a certificate or is not a security for purposes of the UCC, follow the procedure set forth in Section 4(l)(ii) hereof.

(m) Further Actions. Without limitation of any other covenant herein, no Grantor shall change or permit to be changed the jurisdiction in which it is incorporated or otherwise organized, or change its legal name (or use a different name), or location of chief executive office, unless such Grantor has given the Collateral Agent not less than ten (10) Business Days prior written notice thereof (along with an update of Schedule 2, as applicable) and the Grantors have taken (or caused to be taken) all steps reasonably necessary to maintain the Collateral Agent's Lien on such Collateral, as well as the priority (subject to Permitted Liens) and effectiveness of such Lien, in each case, other than with respect to Excluded Perfection Assets; provided, that, except as expressly permitted under the Indenture, no Grantor shall change its jurisdiction of incorporation or organization or location of any of its Collateral, in each case, to a jurisdiction or location outside of the Specified Jurisdictions.

(n) Insurance.

(i) Each Grantor shall:

(A) keep its properties adequately insured at all times by financially sound and reputable insurers, as is customary with companies in the same or similar businesses operating in the same or similar locations;

(B) maintain such other insurance, to such extent and against such risks (and with such deductibles, retentions and exclusions), including fire and other risks insured against by extended coverage and coverage for acts of terrorism, as is customary with companies in the same or similar businesses operating in the same or similar locations, including public liability insurance against claims for personal injury or death or property damage occurring upon, in, about or in connection with the use of any properties owned, occupied or controlled by them; and

(C) maintain such other insurance as may be required by law except as could not reasonably be expected to have a Material Adverse Effect.

(ii) Each Grantor shall furnish to the Collateral Agent no more than once each fiscal year information in reasonable detail as to its property and liability insurance carriers. Within thirty (30) days after the date hereof, the Collateral Agent shall be named as an additional insured on all insurance policies of any Grantor and the Collateral Agent shall be named as loss payee, with 30 days' notice of cancellation on all property and casualty insurance policies of any Grantor.

(o) Leasehold Obligations. Each Grantor shall, and shall cause each of its Subsidiaries to, at all times pay, when and as due, its rental obligations under all leases under which it is a tenant, and shall otherwise comply, in all material respects, with all other terms of such leases and keep them in full force and effect, except, in each case, where the failure to do so could not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

(p) Exculpation of Liability. Nothing herein contained shall be construed to constitute the Collateral Agent or any holder of the Notes as any Grantor's agent for any purpose whatsoever, nor shall the Collateral Agent or any holder of the Notes be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof, except with respect to the Collateral Agent's or such holder's gross (not mere) negligence or willful misconduct as determined by a final and non-appealable order of a court of competent jurisdiction. Neither the Collateral Agent nor any holder of the Notes, whether by anything herein or in any assignment or otherwise, assumes any of any Grantor's obligations under any contract or agreement to which it is a party, and neither the Collateral Agent nor any holder of the Notes shall be responsible in any way for the performance by any Grantor of any of the terms and conditions thereof.

(q) Deposit Accounts; Etc.

(i) No Grantor maintains, or at any time after the date of this Agreement shall establish or maintain, any demand, time, savings, passbook or similar account, except for such accounts maintained with a bank (as defined in Section 9-102 of the UCC) whose jurisdiction (determined in accordance with Section 9-304 of the UCC) is within a State of the United States other than such accounts constituting Excluded Assets or Excluded Perfection Assets. Schedule 5 hereto accurately sets forth, as of the date of this Agreement, for each Grantor, each deposit account maintained by such Grantor (including a description thereof and the respective account number) and the name of the respective bank with which such deposit account is maintained. Subject to Section 4(c) hereof, for each deposit account that is Collateral (other than Excluded Perfection Assets, the Cash Reserve Account or the Cash Collateral Account or any other deposit account maintained with the Collateral Agent), the respective Grantor shall use commercially reasonable efforts to cause the bank with which the deposit account is maintained to execute and deliver to the Collateral Agent within thirty (30) days after the date of this Agreement (or, if later, the date of the establishment of the respective deposit account), a "control agreement" in form and substance acceptable to the Collateral Agent. If any bank with which a deposit account that is Collateral (other than an Excluded Perfection Asset) is maintained refuses to, or does not, enter into such a "control agreement", then the respective Grantor shall promptly (and in any event within thirty (30) days after the date of this Agreement or, if later, thirty (30) days after the establishment of such account) transfer all balances therein to the Cash Collateral Account or another deposit account meeting the requirements of this Section 4(q). If any bank with which a deposit account that is Collateral (other than an Excluded Perfection Asset) is maintained refuses to subordinate all its claims with respect to such deposit account to the Collateral Agent's security interest therein, then the Collateral Agent, at the direction of the holders of the Notes, may (x) require that the balance in such deposit account be transferred in accordance with the immediately preceding sentence or (y) agree to a "control agreement" without such subordination, provided that in such event the Collateral Agent may at any time, at the direction of the holders of the Notes, subsequently require that the balance of such deposit account be transferred (within sixty (60) days after notice from the Collateral Agent) in accordance with the requirements of the immediately preceding sentence.

(ii) After the date of this Agreement, no Grantor shall establish any new demand, time, savings, passbook or similar account, except for (x) deposit accounts established and maintained with banks and meeting the requirements of preceding clause (i), (y) Excluded Assets, and (z) Excluded Perfection Assets. Subject to Section 4(c) hereof, at the time any such deposit account that is Collateral (other than an Excluded Perfection Asset) is established, the appropriate "control agreement" shall be entered into in accordance with the requirements of preceding clause (i) and the respective Grantor shall furnish to the Collateral Agent a supplement to Schedule 5 hereto containing the relevant information with respect to the respective deposit account and the bank with which same is established.

(iii) The Company shall maintain \$25,000,000 in the Cash Reserve Account at all times until July 1, 2015, at which time the funds in the Cash Reserve Account may be released to the Company upon its request, so long as no Default or Event of Default shall have occurred and be continuing. The Company agrees to maintain the Cash Reserve Account free and clear of all Liens, other than the Lien of this Agreement. If an Event of Default has occurred and is continuing, the Collateral Agent may, or at the direction of the holders of at least 30% of the aggregate outstanding principal amount of the Notes, shall, apply any amounts on deposit in the Cash Reserve Account to any remaining interest payments on the Notes in inverse order of scheduled payment. Any scheduled interest payments (or portion thereof) so paid shall no longer be due, on the scheduled date therefor or otherwise. Notwithstanding anything to the contrary herein, with respect to any redemption of the Notes (whether optional, by acceleration or otherwise) occurring after the application of such amounts, the otherwise applicable redemption price or prepayment amount shall be reduced by the pro rata amount of prepaid interest from interest payment dates later than the applicable redemption or prepayment allocable to the amount of Notes being redeemed or prepaid. All amounts in the Cash Reserve Account shall be released to the Company on July 1, 2015, after which such amounts shall not be subject to any restrictions on use other than compliance generally with the applicable covenants under the indenture.

(r) Stock Issuance. Except as may be permitted by the Indenture, no Grantor may, directly or indirectly, (i) issue, sell, grant, assign, transfer or otherwise dispose of, any additional stock or membership interests of such Grantor or any option or warrant with respect to, or other right or security convertible into, any additional stock or membership interests of such Grantor, now or hereafter authorized, unless all such additional stock or membership interests, options, warrants, rights or other such securities are made and shall remain part of the Collateral subject to the pledge and security interest granted herein, (ii) take any action to withdraw the authority of or to limit or restrict the authority of such Grantor's managers (if any) or officers to deal and contract with Collateral Agent and to bind and obligate such Grantor, or (iii) pay any interim distribution in cash or other assets to any shareholder or member of any Grantor, except as permitted in the Indenture. Any distribution by any Grantor other than as permitted in the Indenture shall constitute a "wrongful distribution" for purposes of applicable law.

(s) Membership. In accordance with this Agreement, each Grantor hereby acknowledges and agrees that the Collateral Agent or any of its successors and assigns (or any designee of the Collateral Agent), shall, at the Collateral Agent's option, as directed by the holders of the Notes, upon written notice to any Grantor (such Grantor, the "Parent Grantor") of the Collateral Agent's intent to be admitted as a member of any other Grantor (in the place of the Parent Grantor) at any time an Event of Default exists or has occurred and is continuing and following delivery of any required notice hereunder, be admitted as a member of the relevant Grantor without any further approval of the Parent Grantor and without compliance by the Collateral Agent or any other person with any of the conditions or other requirements of the applicable membership agreement and without conferring upon any Person any option (whether under the applicable membership agreement or otherwise) to acquire the stock or membership interests so transferred to the Collateral Agent, its successors or assigns, or its designees. At such time, each Grantor agrees to take such other action and execute such further documents as may be reasonably necessary or as the Collateral Agent may reasonably request from time to time in order to give effect to the provisions of this Agreement.

(t) Further Assurances. The Company will do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register, as applicable, any and all such further acts, deeds, conveyances, security agreements, assignments, financing statements and continuations thereof, termination statements, notices of assignment, transfers, certificates, assurances and other instruments as may be required from time to time in order to:

- (i) carry out the terms and provisions of the Collateral Documents;
- (ii) subject to the Liens created by any of the Collateral Documents any of the properties, rights or interests required to be encumbered thereby;
- (iii) perfect and maintain the validity, effectively and priority of any of the Collateral Documents and the Liens intended to be created thereby; and
- (iv) assure, convey, grant, assign, transfer, preserve, protect and confirm to the Collateral Agent any of the rights granted now or hereafter intended by the parties thereto to be granted to the Collateral Agent under the Collateral Documents or under any other instrument executed in connection herewith.

Upon the exercise by the Trustee, the Collateral Agent or any holder of Notes of any power, right, privilege or remedy under the Indenture or any of the Collateral Documents which requires any consent, approval, recording, qualification or authorization of any governmental authority, the Company will execute and deliver all applications, certifications, instruments and other documents and papers that may be required from the Company for such governmental consent, approval, recording, qualification or authorization.

5. Special Provisions Concerning Intellectual Property.

(a) Additional Representations and Warranties. Each Grantor represents and warrants (i) that the Intellectual Property Rights listed in Schedule 4 hereto for such Grantor include all Intellectual Property Rights that such Grantor owns as of the date hereof which are issued or registered or applied for at the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States or any foreign jurisdiction, and (ii) that except as set forth in Schedule 4 it is the true and lawful owner of all issuances, registrations and applications for patents or registration of Intellectual Property Rights listed in Schedule 4 hereto and such issuances, registrations and applications are valid and have not been canceled. Except as disclosed in the Offering Memorandum or as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Grantor owns, or is licensed under, and has the right to use, all (i) third party intellectual property and (ii) Intellectual Property, including the Intellectual Property Rights, in each case as used in its businesses as currently conducted and as presently contemplated to be conducted in the future and the Intellectual Property Rights are free and clear of all Liens. No claims or notices of any potential claim have been asserted by any person or entity challenging the use of any such third party intellectual property or Intellectual Property, including the Intellectual Property Rights, by any Grantor or questioning the validity, effectiveness of, or any Grantor's rights to, any Intellectual Property Right or any license or agreement related to third party intellectual property or Intellectual Property, including the Intellectual Property Rights, other than any claims that, if successful, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and no Grantor is aware of any basis for such claims.

(b) Licenses and Assignments. Except as otherwise permitted by the Indenture Documents, each Grantor hereby agrees not to divest itself of any Intellectual Property Right or to exclusively license any Intellectual Property Right.

(c) Infringements. Except as such Grantor in its reasonable business judgment determines is not necessary in the conduct of the Grantor's business, each Grantor agrees to enforce and assert its Intellectual Property, diligently in accordance with reasonable business practices, against any person or entity infringing, misappropriating, misusing, diluting, or violating the Grantor's Intellectual Property, including the Intellectual Property Rights. The conduct of each Grantor's business, including its goods and services and the manufacturing, importation, use, and sale thereof, does not infringe, misappropriate, misuse, dilute, or violate any other person or entity's intellectual property, including any patents, copyrights, trademarks, trade secrets, and domain names, except to the extent that such infringement would not reasonably be expected to have a Material Adverse Effect.

(d) Preservation of Marks. Each Grantor agrees to use its Marks which are material to such Grantor's business in interstate commerce during the time in which this Agreement is in effect and to take all such other actions as are reasonably necessary to preserve such material Marks as trademarks or service marks under the laws of the United States (in each case, other than any such Marks which, in the Grantor's reasonable business judgment, are no longer necessary in the conduct of the Grantor's business).

(e) Maintenance of Patents, Registrations, and Applications. Each Grantor shall, at its own expense, take all commercially reasonable actions to maintain all patents, registrations and applications for patents and registration of its Intellectual Property Rights that are material to such Grantor's business or if involving any Marks, material to such Grantor's business in interstate commerce, during the time in which this Agreement is in effect.

(f) Future Intellectual Property. At its own expense, each Grantor shall take all commercially reasonable efforts to diligently prosecute all material applications for patents or registration of Intellectual Property Rights listed on Schedule 4, in each case for such Grantor and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies (other than applications (i) deemed by such Grantor in its reasonable business judgment to be no longer prudent to pursue or (ii) that are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of the Grantor's business). If any Grantor acquires Intellectual Property Rights after the effective date of this Agreement or makes an application for registration of an Intellectual Property Right before the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States, any political subdivision thereof or in any other country or jurisdiction, within sixty (60) days of the acquisition of such Intellectual Property or submission of such application or, if later, as soon as legally permissible, such Grantor shall notify the Collateral Agent in writing concerning such Intellectual Property Right. Additionally such Grantor shall execute and deliver a grant of a security interest in such application prepared by the Collateral Agent, at the expense of such Grantor, confirming the grant of a security interest in such Intellectual Property Right to the Collateral Agent hereunder, the form of such security to be substantially in the form of Annex B hereto in the case of Marks, Annex C hereto in the case of Patents and Annex D hereto in the case of Copyrights or in such other form as may be reasonably satisfactory to the Collateral Agent; provided that the foregoing shall not apply to any Intellectual Property Right that is an Excluded Asset or Excluded Perfection Asset. Where a patent or registration that constitutes an Intellectual Property Right is issued hereafter to any Grantor as a result of any application now or hereafter pending, if a security interest in such application has not already been granted to or recorded on behalf of the Collateral Agent hereunder, such Grantor shall deliver to the Collateral Agent a grant of security interest within sixty (60) days; provided that the foregoing shall not apply to any Intellectual Property Right that is an Excluded Asset or Excluded Perfection Asset.

(g) Existing Intellectual Property. For all Intellectual Property Rights existing as of the effective date of this Agreement, by no later than the effective date of the Agreement, each Grantor shall deliver or cause to be delivered to the Collateral Agent a grant of a security interest in such applications, patents, and registrations, at the expense of such Grantor, confirming the grant of a security interest in such Intellectual Property Right to the Collateral Agent hereunder, the form of such security to be substantially in the form of Annex B hereto in the case of Marks, Annex C hereto in the case of Patents and Annex D hereto in the case of Copyrights or in such other form as may be reasonably satisfactory to the Collateral Agent; provided that the foregoing shall not apply to any Intellectual Property Right that is an Excluded Asset or Excluded Perfection Asset.

(h) Remedies. Each Grantor hereby grants to the Collateral Agent a limited power of attorney to sign, upon the occurrence and during the continuance of an Event of Default at the direction of the Trustee or the requisite holders of the Notes in accordance with the Indenture, any document which may be required by the United States Patent and Trademark Office, the United States Copyright Office, or an equivalent thereof in any state of the United States, any political subdivision thereof or in any other country or jurisdiction, or similar registrar in order to effect an absolute assignment of all right, title and interest in each patented or registered Intellectual Property Right and each application for a patent or registration, and record the same. If an Event of Default shall occur and be continuing, the Collateral Agent may at the direction of the Trustee or the requisite holders of the Notes in accordance with the Indenture, by written notice to the relevant Grantor, take any or all of the following actions: (i) declare the entire right, title and interest of such Grantor in and to the Intellectual Property Rights, vested in the Collateral Agent for the benefit of the Secured Parties, in which event such rights, title and interest shall immediately vest, in the Collateral Agent for the benefit of the Secured Parties, and the Collateral Agent shall be entitled to exercise the power of attorney referred to in this Section 6(g) hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency or registrar; (ii) take and use or sell the Intellectual Property Rights; (iii) take and use or sell the goodwill of such Grantor's business symbolized by the Marks and the right to carry on the business and use the assets of such Grantor in connection with which the Marks or Domain Names have been used; and (iv) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Intellectual Property Rights in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Collateral Agent may reasonably request to further confirm this and to transfer ownership of the Intellectual Property Rights and registrations and any pending applications in the United States Copyright Office, United States Patent and Trademark Office, equivalent office in a state of the United States or a foreign jurisdiction or applicable Domain Name registrar to the Collateral Agent.

(i) Intellectual Property Assignments. During the term of this Agreement, each Grantor shall secure valid written assignments of ownership from all persons who have contributed to the creation or development of Intellectual Property or who have applied for patents or registration of or obtained patents for or registered Intellectual Property of all rights of such persons in such Intellectual Property that the Grantors do not already own by operation of law and valid written agreements by all such persons to cooperate in the prosecution of any applications, patents or registrations of, and in the enforcement of, any such Intellectual Property (hereinafter all such assignments and agreements referred to as the "IP Assignments"); except to the extent that any failure to obtain an IP Assignment, individually or in the aggregate, does not adversely affect the value of the Company's Intellectual Property and would not impair the Collateral Agent's ability to use and dispose of such Intellectual Property as provided for in the Collateral Documents. Copies of all such IP Assignments shall be promptly delivered to the Collateral Agent upon the request of the Collateral Agent.

(j) Additional Covenants. Notwithstanding the foregoing, to the extent that any issuance of, or registration or application for, a Grantor's Intellectual Property Rights is subject to a chain of title defect, is not in the current legal name of the applicable Grantor, or is subject to any form of Lien, such Grantor shall promptly prepare, execute, file and record (and pay all costs, including legal and filing fees) as necessary to cure such title defects, provide for current ownership of the asset by the Grantor and remove such unpermitted Liens (hereinafter all such actions referred to as the "IP Title Defect Correction Actions"); except to the extent that any failure to perform an IP Title Defect Correction Action, individually or in the aggregate, does not adversely affect the value of the Company's Intellectual Property and would not impair the Collateral Agent's ability to use and dispose of such Intellectual Property as provided for in Collateral Documents. By no later than the effective date of this Agreement, the Grantors shall have provided copies of all documentation and communications concerning such IP Title Defect Correction Actions to the Collateral Agent with respect to existing Intellectual Property Rights of the Grantor and following closing such documentation and communications for later developed or acquired Intellectual Property Rights shall promptly be provided.

6. Rights of Collateral Agent. *The Collateral Agent shall have the rights contained in this Section 6 at all times during the period of time this Agreement is effective.*

(a) Financing Statements Filings. Each Grantor hereby authorizes the Collateral Agent to file (or any Secured Party to file on behalf of the Collateral Agent), without the signature of such Grantor, (but the Collateral Agent shall not be obligated to so file and shall have no responsibility with respect to the form, content or renewal thereof) one or more financing or continuation statements, and amendments thereto, relating to the Collateral (which statements may describe the Collateral as "all assets" of such Grantor); provided, however, such authorization shall not relieve any Grantor from its respective obligations to take all actions necessary to perfect and maintain the perfection of the Collateral Agent's Lien on the Collateral to the extent required hereunder. All reasonable, documented, out-of-pocket charges, expenses and fees that the Collateral Agent may incur in doing any of the foregoing, and any local taxes relating thereto, shall be paid by the Grantors to the Collateral Agent within ten (10) Business Days of demand.

(b) Power of Attorney. Each Grantor hereby irrevocably appoints the Collateral Agent as such Grantor's attorney-in-fact, such power of attorney being coupled with an interest, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, after the occurrence and during the continuance of an Event of Default, to take any action and to execute any instrument that the Collateral Agent or any Secured Party may deem necessary or appropriate to accomplish the purposes of this Agreement, including without limitation: (i) to demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of the Collateral; (ii) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (i) above; and (iii) to file any claims or take any action or institute any proceedings that the Collateral Agent or any Secured Party may deem necessary or appropriate for the collection and/or preservation of the Collateral or otherwise to enforce the rights of the Collateral Agent and the Secured Parties with respect to the Collateral.

(c) Further Rights. The Collateral Agent has been appointed as the Collateral Agent hereunder pursuant to the Indenture and shall be entitled to the benefits of the Indenture Documents. Notwithstanding anything contained herein to the contrary, the Collateral Agent may employ agents, trustees, or attorneys-in-fact and may vest any of them with any property (including, without limitation, any Collateral pledged hereunder), title, right or power deemed necessary for the purposes of such appointment. Notwithstanding anything to the contrary herein, the following provisions shall govern the Collateral Agent's rights, powers, obligations and duties under this Agreement:

(i) The Collateral Agent shall have no duty to act, consent or request any action of the Grantors or any other Person in connection with this Agreement (including all schedules and exhibits attached hereto) unless the Collateral Agent shall have received written direction from the Trustee or the requisite holders of the Notes in accordance with the Indenture.

(ii) The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. Neither any Secured Party nor any of its officers, directors, employees or agents shall be liable to the Grantors for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon any of them to exercise any such powers. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for its own gross negligence or willful misconduct. The Collateral Agent shall not be responsible for, nor incur any liability with respect to, (A) the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the security interest in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part under this Agreement or any of the other Indenture Documents, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Collateral Agent, (B) the validity or sufficiency of the Collateral or any agreement or assignment contained therein, (C) the validity of the title of the Grantors to the Collateral, (D) insuring the Collateral or (E) the payment of taxes, charges or assessments upon the Collateral or otherwise as to the maintenance of the Collateral.

(iii) Notwithstanding any provision to the contrary elsewhere in this Agreement or any other Indenture Documents, the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth in this Agreement or such other Indenture Documents and no implied covenants, functions or responsibilities shall be read into this Agreement or otherwise exist against the Collateral Agent.

(iv) The Collateral Agent shall not be deemed to be in a relationship of trust or confidence with any Secured Party, or any other Person by reason of this Agreement, and shall not owe any fiduciary, trust or other special duties to the any Secured Party, or any other Person by reason of this Agreement. The parties hereto acknowledge that the Collateral Agent's duties do not include any discretionary authority, determination, control or responsibility with respect to any Indenture Documents or any Collateral, notwithstanding any rights or discretion that may be granted to the Collateral Agent in such Indenture Documents. The provisions of this Agreement, including, without limitation those provisions relating to the rights, duties, powers, privileges, protections and indemnification of the Collateral Agent shall apply with respect to any actions taken or not taken by the Collateral Agent under any Indenture Documents.

(v) Notwithstanding anything herein to the contrary, in no event shall the Collateral Agent have any obligation to inquire or investigate as to the correctness, veracity, or content of any instruction received from any party to this Agreement or any other Indenture Documents. In no event shall the Collateral Agent have any liability in respect of any such instruction received by it and relied on with respect to any action or omission taken pursuant thereto.

(vi) With respect to the Collateral Agent's duties under this Agreement or any of the Indenture Documents, the Collateral Agent may act through its attorneys, accountants, experts and such other professionals as the Collateral Agent deems reasonably necessary, advisable or appropriate and shall not be responsible for the misconduct or negligence of any attorney, accountant, expert or other such professional appointed with due care.

(vii) Neither the Collateral Agent nor any of its experts, officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (x) liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any of the Indenture Documents (except for its gross negligence or willful misconduct), or (y) responsible in any manner for any recitals, statements, representations or warranties (other than its own recitals, statements, representations or warranties) made in this Agreement or any of the other Indenture Documents or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Agreement or any of the Indenture Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any of the Indenture Documents or for any failure of the Grantors or any other Person to perform their obligations hereunder and thereunder. The Collateral Agent shall not be under any obligation to any Person to ascertain or to inquire as to (A) the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Indenture Documents or to inspect the properties, books or records of the Grantors, (B) whether or not any representation or warranty made by any Person in connection with this Agreement or any Indenture Documents is true, (C) the performance by any Person of its obligations under this Agreement or any of the Indenture Documents or (D) the breach of or default by any Person of its obligations under this Agreement or any of the Indenture Documents.

(viii) The Collateral Agent shall not be bound or required to take any action that in the opinion of the Collateral Agent (which may be based on advice of counsel) is in conflict with any applicable law, this Agreement or any of the other Indenture Documents, or any order of any court or administrative agency.

(ix) The Collateral Agent shall be authorized to but shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or monitoring or maintaining the perfection of any security interest in the Collateral. It is expressly agreed, to the maximum extent permitted by applicable law, that the Collateral Agent shall have no responsibility for (x) taking any necessary steps to preserve rights against any Person with respect to any Collateral or (y) taking any action to protect against any diminution in value of the Collateral, but, in each case (A) subject to the requirement that the Collateral Agent may not act or omit to take any action if such act or omission would constitute gross negligence or willful misconduct and (B) the Collateral Agent may do so and all expenses reasonably incurred in connection therewith shall be part of the Indenture Documents.

(x) The Collateral Agent shall not be liable or responsible for any loss or diminution in the value of any Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Agent in good faith, except to the extent of the Collateral Agent's gross negligence or willful misconduct.

(xi) Notwithstanding anything in this Agreement or any of the Indenture Documents to the contrary, (A) in no event shall the Collateral Agent or any officer, director, employee, representative or agent of the Collateral Agent be liable under or in connection with this Agreement or any of the Indenture Documents for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits or loss of opportunity, whether or not foreseeable, even if the Collateral Agent has been advised of the possibility thereof and regardless of the form of action in which such damages are sought; and (B) the Collateral Agent shall be afforded all of the rights, powers, immunities and indemnities set forth in this Agreement or in all of the other Indenture Documents to which it is a signatory as if such rights, powers, immunities and indemnities were specifically set out in each such Indenture Documents. In no event shall the Collateral Agent be obligated to invest any amounts received by it hereunder.

(xii) The Collateral Agent shall be entitled conclusively to rely, and shall be fully protected in relying, upon any note, writing, resolution, request, direction, certificate, notice, consent, affidavit, letter, cablegram, telegram, teletype, email, telex or teletype message, statement, order or other document or conversation believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and/or upon advice and/or statements of legal counsel, independent accountants and other experts reasonably selected by the Collateral Agent and need not investigate any fact or matter stated in any such document. Any such statement of legal counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in accordance therewith. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any of the other Indenture Documents (A) if such action would, in the reasonable opinion of the Collateral Agent (which may be based on the opinion of legal counsel), be contrary to applicable law or any of the Indenture Documents, (B) if such action is not provided for in this Agreement or any of the other Indenture Documents, (C) if, in connection with the taking of any such action hereunder or under any of the Indenture Documents that would constitute an exercise of remedies hereunder or under any of the Indenture Documents it shall not first be indemnified to its satisfaction by the holders of the Notes against any and all risk of nonpayment, liability and expense that may be incurred by it, its agents or its counsel by reason of taking or continuing to take any such action, or (D) if, notwithstanding anything to the contrary contained in this Agreement, in connection with the taking of any such action that would constitute a payment due under any agreement or document, it shall not first have received from the holders of the Notes or the applicable Grantor funds equal to the amount payable. The Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any of the other Indenture Documents in accordance with a request of the Trustee or the requisite holders of the Notes in accordance with the Indenture, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the other holders of the Notes and the Trustee.

(xiii) The Collateral Agent shall not be deemed to have actual, constructive, direct or indirect knowledge or notice of the occurrence of any Default or Event of Default unless and until the Collateral Agent has received a written notice or a certificate from a Grantor, a holder of the Notes or the Trustee stating that a Default or Event of Default has occurred. The Collateral Agent shall have no obligation whatsoever either prior to or after receiving such notice or certificate to inquire whether a Default or Event of Default has in fact occurred and shall be entitled to rely conclusively, and shall be fully protected in so relying, on any notice or certificate so furnished to it. No provision of this Agreement or any of the Indenture Documents shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Agreement, any of the other Indenture Documents or the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability including an advance of moneys necessary to perform work or to take the action requested is not reasonably assured to it, the Collateral Agent may decline to act unless it receives indemnity satisfactory to it in its sole discretion, including an advance of moneys necessary to take the action requested. The Collateral Agent shall be under no obligation or duty to take any action under this Agreement or any of the other Indenture Documents or otherwise if taking such action (x) would subject the Collateral Agent to a tax in any jurisdiction where it is not then subject to a tax or (y) would require the Collateral Agent to qualify to do business in any jurisdiction where it is not then so qualified.

7. Remedies and Related Rights.

If an Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions when a debtor is in default under a security agreement and may exercise one or more of the rights and remedies provided in this Section.

(a) Remedies. If an Event of Default shall have occurred and be continuing, the Collateral Agent may from time to time at the written direction of the Trustee or the requisite holders of the Notes in accordance with the Indenture and applicable law, without limitation and without notice except as expressly provided in any of the Indenture Documents:

(i) exercise in respect of the Collateral all the rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Collateral);

(ii) require the Grantors to, and such Grantors hereby agree that they will at their expense and upon request of the Collateral Agent, assemble the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place where such Collateral is permitted to be kept pursuant to Section 3(h);

(iii) reduce the Secured Parties' claim to judgment or foreclose or otherwise enforce, in whole or in part, the security interest granted hereunder by any available judicial procedure;

(iv) sell or otherwise dispose of, at its office, on the premises of any Grantor or elsewhere, the Collateral, for cash, on credit, and upon such terms as may be commercially reasonable, as a unit or in parcels, by public or private proceedings, and by way of one or more contracts (it being agreed that the sale or other disposition of any part of the Collateral shall not exhaust the Collateral Agent's power of sale, but sales or other dispositions may be made from time to time until all of the Collateral has been sold or disposed of or until the Indenture Obligations have been paid and performed in full), and at any such sale or other disposition it shall not be necessary to exhibit any of the Collateral;

(v) buy the Collateral, or any portion thereof, at any public sale;

(vi) buy the Collateral, or any portion thereof, at any private sale, for cash, on credit, and upon such other terms as may be commercially reasonable, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations;

(vii) apply for the appointment of a receiver for the Collateral, and Grantors hereby consent to any such appointment; and

(viii) at the option of and if instructed by the requisite holders of the Notes, retain the Collateral on behalf of the holders of the Notes or distribute the Collateral to the holders of the Notes, in each case in satisfaction of the Indenture Obligations, whenever the circumstances are such that the Collateral Agent is entitled to do so under the UCC or otherwise; to the full extent permitted by the UCC, the Collateral Agent shall be permitted to elect whether such retention shall be in full or partial satisfaction of the Indenture Obligations.

In the event the Collateral Agent shall elect (at the instruction of the requisite holders of the Notes) to sell the Collateral, the Collateral Agent may sell the Collateral without giving any warranties and shall be permitted to specifically disclaim any warranties of title or the like. In the event the purchaser fails to pay for the Collateral, the Collateral Agent may resell (at the instruction of the requisite holders of the Notes) the Collateral and the Grantors shall be credited with the proceeds of the sale. Each Grantor agrees that in the event such Grantor or any obligor is entitled to receive any notice under the UCC, as it exists in the state governing any such notice, of the sale or other disposition of any Collateral, reasonable notice shall be deemed given when such notice is deposited in a depository receptacle under the care and custody of the United States Postal Service, postage prepaid, at such party's address set forth on the signature pages hereof, ten (10) days prior to the date of any public sale, or after which a private sale, of any of such Collateral is to be held. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Application of Proceeds. If any Event of Default shall have occurred and be continuing, any cash held by the Collateral Agent as Collateral, and any cash proceeds received by the Collateral Agent in respect of any sale or other disposition of, collection from, or other realization upon, all or any part of the Collateral shall be transferred, conveyed or distributed to the Trustee to be applied in accordance with the Indenture or as otherwise may be directed by the Trustee pursuant to the Indenture Documents.

(c) Deficiency. In the event that the proceeds of any sale of, collection from, or other realization upon, all or any part of the Collateral by the Collateral Agent are insufficient to pay all amounts to which the Collateral Agent is legally entitled, the Company, the other Grantors and any other Person who guaranteed or is otherwise obligated to pay all or any portion of the Indenture Obligations shall be liable for the deficiency, together with interest thereon as provided in the Indenture Documents, to the full extent permitted by the UCC.

(d) Waiver. Except as otherwise provided in this Agreement, EACH GRANTOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT'S TAKING POSSESSION OR THE COLLATERAL AGENT'S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES AND ANY SUCH RIGHT WHICH ANY GRANTOR WOULD OTHERWISE HAVE UNDER THE CONSTITUTION OR ANY STATUTE OF THE UNITED STATES OR OF ANY STATE, and each Grantor hereby further waives, to the extent permitted by applicable law, and releases the Collateral Agent from:

(i) all claims, damages and demands against the Collateral Agent arising out of the repossession, retention or sale of all or any part of the Collateral, except any damages which are the direct result of the Collateral Agent's gross negligence or willful misconduct;

(ii) all claims, damages and demands against the Collateral Agent arising by reason of the fact that the price at which the Collateral, or any part thereof, may have been sold at a private sale was less than the price which might have been obtained at public sale or was less than the aggregate amount of the Indenture Obligations, even if the Collateral Agent accepts the first offer received which the Collateral Agent in good faith deems to be commercially reasonable under the circumstances and does not offer the Collateral, or any portion thereof, to more than one offeree;

(iii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and

(iv) all equities or rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale or other disposition of the Collateral or any portion thereof, and each Grantor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of each Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against each Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under the Grantor.

(e) Remedies Cumulative. No right, power or remedy herein conferred upon or reserved to the Collateral Agent is intended to be exclusive of any other right, power or remedy, and every such right, power and remedy shall, to the extent permitted by applicable Law, be cumulative and in addition to every other right, power and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent or later assertion or employment of any other appropriate right, power or remedy.

(f) Delay Not Waiver. No delay or omission of the Collateral Agent or any other Secured Party to exercise any right, power or remedy accruing upon the occurrence and during the continuance of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every right, power and remedy given by this Agreement may be exercised from time to time, and as often as shall be deemed expedient, by the Collateral Agent.

(g) Restoration of Rights and Powers. In case the Collateral Agent shall have instituted any action or proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry, leasing, conveyance, assignment, transfer, other disposition, other realization or otherwise, and such action or proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case each Grantor, the Collateral Agent and each other Secured Party shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent and each Grantor shall continue as if no such actions or proceedings had been instituted.

(h) Environmental Liability. In the event that the Collateral Agent is requested to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, which in the Collateral Agent's sole discretion may cause the Collateral Agent to be considered an "owner or operator" under any environmental laws or otherwise cause the Collateral Agent to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Collateral Agent reserves the right to not follow such direction, to resign as Collateral Agent or to arrange for the transfer of the title or control of the asset to a court appointed receiver. Neither the Trustee nor the Collateral Agent will be liable to any Person for any environmental liability or any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Collateral Agent's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment. Neither the Trustee nor the Collateral Agent shall be responsible for any loss incurred by the Secured Parties by the Collateral Agent's refusal to take actions to acquire title or other actions that may result in it being considered an "owner or operator".

8. Security Interest Absolute. All rights of the Collateral Agent and the security interests granted to the Collateral Agent hereunder, and all obligations of Grantors hereunder, to the extent permitted by applicable law, are absolute and unconditional, irrespective of:

- (a) Any lack of validity or enforceability of the Indenture, the Notes or any other Indenture Document; or
- (b) The failure of the Collateral Agent or any holder of a Note:
 - (i) To assert any claim or demand or to enforce any right or remedy under the provisions of the Notes or any other Indenture Document or otherwise, or
 - (ii) To exercise any right or remedy against any collateral securing any obligations of Grantors owing to the Secured Parties;or

(c) Any change in the time, manner or place of payment of, or in any other term of, all or any of the Indenture Obligations or any other extension, compromise or renewal of any Indenture Obligations; or

(d) Any reduction, limitation, impairment or termination of any Indenture Obligations for any reason (other than the satisfaction and discharge of the Indenture Obligations in full), including any claim of waiver, release, surrender, alteration or compromise (and the Grantors hereby waive any right to or claim of any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of any invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Indenture Obligations); or

(e) Any amendment to, rescission, waiver, or other modification of, or any consent to departure from, the Notes or any other Indenture Document; or

(f) Any addition, exchange, release, surrender or nonperfection of any collateral (including the Collateral), or any amendment to or waiver or release of or addition to or consent to departure from any guaranty, for any of the Indenture Obligations; or

(g) Any other circumstances which might otherwise constitute a defense available to, or a legal or equitable discharge of, any Grantor, including, without limitation, any and all suretyship defenses.

9. Indemnity.

(a) Each Grantor jointly and severally agrees to indemnify, reimburse and hold the Collateral Agent, each other Secured Party and their respective successors, assigns, officers, directors, employees, affiliates and agents (hereinafter in this Section 9 referred to individually as “Indemnitee,” and collectively as “Indemnitees”) harmless from any and all liabilities, obligations, damages, injuries, penalties, claims, demands, actions, suits, judgments and any and all out-of-pocket costs, expenses or disbursements (including reasonable attorneys’ fees and expenses) (for the purposes of this Section 9 the foregoing are collectively called “expenses”) of whatsoever kind and nature imposed on, asserted against or incurred by any of the Indemnitees in any way relating to or arising out of this Agreement, any other Indenture Document or any other document executed in connection herewith or therewith or in any other way connected with the administration of the transactions contemplated hereby or thereby or the enforcement of any of the terms of, or the preservation of any rights under any thereof, or in any way relating to or arising out of the manufacture, ownership, ordering, purchase, delivery, control, acceptance, lease, financing, possession, operation, condition, sale, return or other disposition, or use of the Collateral (including latent or other defects, whether or not discoverable), the violation of the laws of any country, state or other governmental body or unit, any tort (including claims arising or imposed under the doctrine of strict liability, or for or on account of injury to or the death of any Person (including any Indemnitee), or property damage), or contract claim; provided, that no Indemnitee shall be indemnified pursuant to this Section 9(a) for losses, damages or liabilities to the extent caused by the gross negligence or willful misconduct of such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Grantor agrees that upon written notice by any Indemnitee of the assertion of such a liability, obligation, damage, injury, penalty, claim, demand, action, suit or judgment, the relevant Grantor shall assume full responsibility for the defense thereof. Each Indemnitee agrees to promptly notify the relevant Grantor of any such assertion of which such Indemnitee has knowledge.

(b) Without limiting the application of Section 9(a) hereof, each Grantor agrees, jointly and severally, to pay or reimburse the Collateral Agent for any and all reasonable fees, out-of-pocket costs and expenses of whatever kind or nature incurred in connection with the creation, preservation or protection of the Collateral Agent's Liens on, and security interest in, the Collateral, including all fees and taxes in connection with the recording or filing of instruments and documents in public offices, payment or discharge of any taxes or Liens upon or in respect of the Collateral, premiums for insurance with respect to the Collateral and all other fees, out-of-pocket costs and expenses in connection with protecting, maintaining or preserving the Collateral and the Collateral Agent's interest therein, whether through judicial proceedings or otherwise, or in defending or prosecuting any actions, suits or proceedings arising out of or relating to the Collateral.

(c) Without limiting the application of Section 9(a) or (b) hereof, each Grantor agrees, jointly and severally, to pay, indemnify and hold each Indemnitee harmless from and against any loss, out-of-pocket costs, damages and expenses which such Indemnitee may suffer, expend or incur in consequence of or growing out of any misrepresentation by any Grantor in this Agreement, any other Indenture Document or in any writing contemplated by or made or delivered pursuant to or in connection with this Agreement or any other Indenture Documents.

(d) If and to the extent that the obligations of any Grantor under this Section 9 are unenforceable for any reason, such Grantor hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable law.

(e) Any amounts paid by any Indemnitee as to which such Indemnitee has the right to reimbursement shall constitute Indenture Obligations secured by the Collateral. The indemnity obligations of each Grantor contained in this Section 9 shall continue in full force and effect notwithstanding the full payment of all of the other Indenture Obligations and notwithstanding the full payment of all the Notes issued under the Indenture and the payment of all other Indenture Obligations and notwithstanding the discharge thereof and the occurrence of the Termination Date.

(f) The agreements in this Section shall survive repayment of the Indenture Obligations, all other amounts payable under the Indenture Documents and the resignation or removal of the Collateral Agent.

10. Miscellaneous.

(a) Amendment. None of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by each Grantor and the Collateral Agent (with the written consent of the holders of the Notes in accordance with the Indenture).

(b) No Waiver by Collateral Agent. Neither the failure by the Collateral Agent to exercise, nor the delay by the Collateral Agent in exercising, any right or remedy upon any Event of Default shall be construed as a waiver of such Event of Default or as a waiver of the right to exercise any such right or remedy at a later date. No single or partial exercise by the Collateral Agent of any right or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right or remedy hereunder may be exercised at any time. No waiver of any provision hereof or consent to any departure by any Grantor therefrom shall be effective unless the same shall be in writing and signed by the Collateral Agent and then such waiver or consent shall be effective only in the specific instances, for the purpose for which given and to the extent therein specified. No notice to or demand on any Grantor in any case shall of itself entitle such Grantor to any other or further notice or demand in similar or other circumstances.

(c) Costs and Expenses. The Grantors will upon demand pay to the Collateral Agent and the Secured Parties the amount of any and all reasonable, documented, out-of-pocket costs and expenses (including without limitation, reasonable attorneys' agents' and professional advisors' fees and expenses), which the Collateral Agent and the Secured Parties may incur in connection with the enforcement of any of the rights of the Collateral Agent and the Secured Parties under the Indenture Documents in connection with any Event of Default.

(d) No Third Party Beneficiaries. The agreements of the parties hereto are solely for the benefit of the Grantors, the Collateral Agent, and the other Secured Parties and their respective successors and assigns and no other Person shall have any rights hereunder.

(e) Termination; Release. After the Termination Date, this Agreement (including any provision providing for the appointment of the Collateral Agent as attorney-in-fact for any Grantor) and the Liens and security interests granted hereunder shall terminate automatically and without further action by any party, and the Collateral Agent, at the written request and sole expense of the Company, will execute and deliver to each Grantor the proper instruments acknowledging the termination of this Agreement, and will duly assign, transfer and deliver to each Grantor (without recourse and without any representation or warranty) such of the Collateral as may be in possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement. In addition, the Collateral Agent, at the written request and sole expense of the Company, will release from the Lien created hereunder: (1) Collateral that is sold, transferred, disbursed or otherwise disposed of to a Person other than a Grantor to the extent such sale, transfer, disbursement or disposition is not prohibited by the provisions of the Indenture, as certified in writing by the Company; *provided* that any products, proceeds or other consideration received by the Grantors in respect of any such Collateral shall continue to constitute Collateral to the extent required hereunder; (2) the property and assets of a Grantor upon the release of such Grantor from its Note Guarantee in accordance with the terms of the Indenture, as certified in writing by the Company; and (3) any property or asset of a Grantor that is or becomes an Excluded Asset, as certified in writing by the Company. The Collateral Agent shall also execute and deliver, at the written request and expense of the Company, upon termination of this Agreement or occurrence of any event in the immediately preceding sentence, such UCC termination statements, and such other documentation as shall be reasonably requested by any Grantor to effect the termination and release of the Liens and security interests granted by this Agreement.

(f) Governing Law; Submission to Jurisdiction.

(i) THIS AGREEMENT, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE AND MATTERS RELATING TO THE CREATION, VALIDITY, ENFORCEMENT OR PRIORITY OF THE LIENS CREATED BY THIS AGREEMENT, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAWS RULES THEREOF (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATION LAW) EXCEPT AS MAY BE REQUIRED BY OTHER MANDATORY PROVISIONS OF LAW.

(ii) Each Grantor hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for the purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Each Grantor hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. To the extent permitted by applicable law, each Grantor further irrevocably agrees to the service of process of any of the aforementioned courts in any suit, action or proceeding by the mailing of copies thereof by certified mail, postage prepaid, return receipt requested, to such Grantor at the address referenced in Section 10(i), such service to be effective upon the date indicated on the postal receipt returned from the Grantor.

(iii) To the extent any Grantor may, in any action or proceeding arising out of or relating to this Agreement, be entitled under any applicable law to require or claim that the Collateral Agent or any Secured Party post security for costs or take similar action, such Grantor hereby irrevocably (to the extent permitted by applicable law) waives and agrees not to claim the benefit of such entitlement.

THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE SECURED PARTIES TO ENTER INTO THIS AGREEMENT AND THE OTHER INDENTURE DOCUMENTS.

(h) Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be illegal, invalid or unenforceable under present or future laws, such provision shall be fully severable, shall not impair or invalidate the remainder of this Agreement and the effect thereof shall be confined to the provision held to be illegal, invalid or unenforceable.

ESCROW AND DEPOSIT ACCOUNT CONTROL AGREEMENT made this 11th day of July, 2012 (this "Agreement"), by and among (i) Nektar Therapeutics, a Delaware corporation (the "Company"), (ii) Wells Fargo Bank, National Association ("WFB"), in its capacity as collateral agent under the Indenture (as defined herein) (together with its successors and assigns, in such capacity, the "Collateral Agent"), for the benefit of the Secured Parties (as defined in the Security Agreement (as defined herein)), and (iii) WFB, in its capacity as a "bank" as defined in Section 9-102 of the UCC and as escrow agent (together with its successors and assigns, in such capacity, the "Escrow Agent"). All references to "UCC" shall mean the Uniform Commercial Code as in effect in the State of New York.

This Agreement is being entered into in connection with (i) the Purchase Agreement, dated July 3, 2012 (the "Purchase Agreement"), among the Company, Cowen and Company, LLC and CRT Capital Group LLC, as representative of the initial purchasers of the Notes (as defined herein) issued on the date hereof, (ii) the Indenture, dated as of July 11, 2012 (the "Indenture"), governing the Company's 12% Senior Secured Notes due 2017 (the "Notes"), between the Company, the Trustee and the Collateral Agent, and (iii) the Pledge and Security Agreement, dated as of July 11, 2012 (the "Security Agreement"), between the Company and the Collateral Agent. Capitalized terms, which are used but not defined herein have the meanings specified therefor in the Security Agreement.

The parties hereto hereby agree that, in consideration of the mutual promises and covenants contained herein, the Escrow Agent shall hold in escrow and shall distribute Escrow Property (as defined herein) in accordance with and subject to the following:

ARTICLE I. INSTRUCTIONS

Section 1.1. Appointment of Escrow Agent; Escrow Property.

The property and/or funds deposited or to be deposited with the Escrow Agent by the Company shall be as follows:

(a) The Company hereby appoints WFB as Escrow Agent in accordance with the terms and conditions set forth in this Agreement and WFB hereby accepts such appointment. Concurrently with the execution and delivery hereof, the Company will cause TWENTY-FIVE MILLION DOLLARS (\$25,000,000) (the "Deposit") to be deposited with the Escrow Agent in a trust account maintained by the Escrow Agent (ABA No. 000000000) with the account number 0000000000, for further credit account number 0000000 and the account name "Cash Reserve Account" (such account referred to as the "Cash Reserve Account").

(b) (i) The Escrow Agent shall accept the Deposit and shall hold such funds and the proceeds thereof in the Cash Reserve Account for disbursement in accordance with the provisions hereof. The Cash Reserve Account and the Escrow Property (as defined herein) shall be under the control (within the meaning of Section 9-104 of the UCC) of the Collateral Agent and, notwithstanding any other provisions of this Agreement, the Escrow Agent shall comply with all instructions given by the Collateral Agent (in its capacity as a Secured Party) directing the disposition of the Escrow Property without further consent of the Company or any other person. The Collateral Agent agrees not to deliver any instructions except as permitted by this Agreement. Each party hereto confirms that the arrangements established above constitute “control” by the Collateral Agent of the Cash Reserve Account and the Escrow Property. The Escrow Agent and the Company have not and will not enter into any other agreement with respect to control of the Cash Reserve Account or any Escrow Property or purporting to limit or condition the obligation of the Escrow Agent to comply with any orders or instructions with respect to the Cash Reserve Account or the Escrow Property as set forth in this Section 1.1(b). The Deposit and all funds, securities or other property now or hereafter credited to the Cash Reserve Account, plus all interest, income, dividends and other distributions and payments on any of the foregoing (collectively the “Distributions”) received by the Escrow Agent are collectively referred to herein as “Escrow Property”.

(ii) As security for the due and punctual payment of all obligations that may become due in respect of the Notes (including, without limitation, the aggregate principal amount of and accrued and unpaid interest and premium, if any, on the Notes), the Company has granted to the Collateral Agent, for the benefit of Secured Parties, pursuant to the Security Agreement, a continuing security interest in, and a lien on, the Cash Reserve Account and the Escrow Property credited thereto and all the proceeds thereof, whether now owned or existing or hereafter acquired or arising. The security interest of the Collateral Agent shall at all times be valid, perfected and enforceable as a first-priority security interest by the Collateral Agent against the Company and all third parties in accordance with the terms of this Agreement. The Company agrees to take all actions as necessary or reasonably requested in connection with the perfection of such security interest.

(iii) Upon the release of any Escrow Property pursuant to Section 1.3 hereof, the security interest of the Collateral Agent in such Escrow Property for the benefit of the Secured Parties shall automatically terminate without any further action. The Collateral Agent and the Escrow Agent agree to execute, deliver and acknowledge all such further documents, agreements, certificates and instruments and do such further acts as the Company may reasonably request to more effectively evidence or effectuate the foregoing release of the Escrow Property.

(c) The Escrow Agent is authorized and directed to deposit, transfer, hold and invest the Escrow Property and any investment income thereon as set forth in Exhibit B hereto, or as set forth in any subsequent written instruction signed by the Company. Absent its timely receipt of instructions from the Company, the Escrow Agent shall have no duty to invest (or otherwise pay interest on) the Escrow Property. With respect to any Escrow Property received by Escrow Agent after 10:00 a.m., New York City time, Escrow Agent shall not be required to invest such funds or to effect any investment instruction until the next Business Day. For purposes of this Escrow Agreement “Business Day” shall mean any day that the Escrow Agent is open for business. Any investment earnings and income on the Escrow Property shall become part of the Escrow Property, and shall be disbursed in accordance with Section 1.3 of this Agreement.

(d) The Escrow Agent is hereby authorized and directed to sell or redeem any such investments to make any payments or distributions required under this Escrow Agreement. The Escrow Agent shall have no responsibility or liability for any loss, fee, tax, penalty or other charge which may result from any investment, reinvestment, sale or liquidation of investment made pursuant to this Agreement. The Escrow Agent is hereby authorized, in making or disposing of any investment permitted by this Escrow Agreement, to deal with itself (in its individual capacity) or with one or more of its affiliates, whether it or any such affiliate is acting as agent of the Escrow Agent or for any third person or dealing as principal for its own account. The Company acknowledges that the Escrow Agent is not providing investment supervision, recommendations or advice. The Escrow Agent shall be under no duty to afford the Escrow Property any greater degree of care than it gives its own similar property.

(e) The Company represents and warrants that (i) it was duly incorporated and is validly existing as a Delaware corporation and is not incorporated under the laws of any other jurisdiction, and (ii) this Agreement has been duly authorized, executed and delivered on its behalf and constitutes its legal, valid and binding obligation, subject to bankruptcy, insolvency, reorganization, receivership, moratorium, fraudulent conveyance, fraudulent transfer or other similar laws now or hereafter in effect relating to creditors' rights generally, and general principles of equity (whether applied by a court of law or equity) and the discretion of the court before which any proceeding therefor may be.

(f) The Escrow Agent represents and warrants that (i) it has all power and authority to act as a "bank", as defined in Section 9-102 of the UCC and that this Agreement constitutes an authenticated record within the meaning of Section 9-104 of the UCC, and (ii) this Agreement has been duly authorized, executed and delivered on its behalf and constitutes its legal, valid and binding obligation, subject to bankruptcy, insolvency, reorganization, receivership, moratorium, fraudulent conveyance, fraudulent transfer or other similar laws now or hereafter in effect relating to creditors' rights generally, and general principles of equity (whether applied by a court of law or equity) and the discretion of the court before which any proceeding therefor may be.

Section 1.2. Distribution of Escrow Property.

The Escrow Agent is directed to hold and only distribute the Escrow Property in the following manner:

(a) *Account Maturity Date*: On or after July 1, 2015, so long as no Default or Event of Default shall have occurred and be continuing, the Company may obtain a release of all of the Escrow Property by delivering to each of the Escrow Agent and the Collateral Agent an Officer's Certificate, upon which each may conclusively rely, substantially in the form of Exhibit A hereto.

(b) *Event of Default.* If the Escrow Agent receives a written notice from the Trustee or Collateral Agent that an Event of Default has occurred and is continuing, the Escrow Agent will liquidate all Escrow Property then held by it, and the Escrow Agent will release to the Collateral Agent for payment to the holders of the Notes an amount of Escrow Property not to exceed the amount necessary to pay any remaining interest on the Notes in inverse order of scheduled payment. Promptly following such release, the Escrow Agent shall release any Escrow Property that remains in the Cash Reserve Account as directed in written instructions from the Company.

Section 1.3. Distribution of Escrow Property Upon Termination.

Upon the release of any Escrow Property as directed in writing by the Company, pursuant to Section 1.2(a) hereof, such Escrow Property shall be delivered to the recipient, free and clear of any and all interests of the Escrow Agent, the Collateral Agent and the holders of the Notes (except for any liens thereon arising under the Indenture or the Collateral Documents).

Upon any release of any Escrow Property to the Collateral Agent for distribution pursuant to Section 1.2(b), the Escrow Property released in accordance there will be disbursed by the Escrow Agent free and clear of any and all claim or interest of the Company.

Section 1.4. Compensation.

(a) The Company shall pay all activity charges as separately agreed in writing between the Escrow Agent and the Company.

(b) The Company shall be responsible for and shall reimburse the Escrow Agent upon demand for all documented reasonable out-of-pocket expenses (including, without limitation, reasonable attorneys' and other professionals' fees and expenses), disbursements and advances incurred or made by the Escrow Agent in connection with this Agreement.

Section 1.5. No Setoff.

The Escrow Agent hereby (i) subordinates any security interest, lien or other encumbrance against the Cash Reserve Account to the security interest of the Collateral Agent and (ii) will not exercise any right of recoupment, setoff or debit against the Cash Reserve Account.

**ARTICLE II.
TERMS AND CONDITIONS**

Section 2.1. The duties, responsibilities and obligations of the Escrow Agent shall be limited to those expressly set forth herein and no duties, responsibilities or obligations shall be inferred or implied. The Escrow Agent shall not be subject to, nor required to comply with, any other agreement to which the Company is a party, even though reference thereto may be made herein, or to comply with any direction or instruction (other than those contained herein or delivered in accordance with this Agreement) from the Company or any entity acting on its behalf, and the Escrow Agent shall have no duty to know or inquire as to the performance or nonperformance of any provision of any such agreement, instrument, or document. The Escrow Agent shall not be required to, and shall not, expend or risk any of its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder. The Escrow Agent shall exercise the same degree of care toward the Escrow Property as it exercises towards its own similar property. Under no circumstances will the Escrow Agent be deemed to be a fiduciary to any other person under this Agreement. The Escrow Agent will not be responsible or liable for the failure of any other party hereto to perform in accordance with this Agreement.

Section 2.2. This Agreement is for the exclusive benefit of the parties hereto and their respective successors hereunder, and shall not be deemed to give, either express or implied, any legal or equitable right, remedy, or claim to any other entity or person, including, without limitation, the holders of the Notes, whatsoever.

Section 2.3. If at any time the Escrow Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects Escrow Property (including but not limited to orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of Escrow Property), the Escrow Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate (but shall in any event provide notice thereof to the Collateral Agent and the Company); and the Escrow Agent shall not be liable to any of the parties hereto or to any other person or entity with respect to its compliance with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

Section 2.4. (a) The Escrow Agent shall not be liable for any action taken or omitted to be taken or for any loss or injury resulting from its actions or its performance or lack of performance of its duties hereunder, including but not limited to lost profits, irrespective of whether the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action arising in connection with this Agreement, in the absence of gross negligence or willful misconduct on its part as determined by a court of competent jurisdiction. In no event shall the Escrow Agent be liable (i) for acting in accordance with or relying upon any instruction, notice, demand, certificate or document believed by the Escrow Agent in good faith to be from an authorized officer of the Company listed on Schedule A hereto, as such may be amended from time to time or (ii) for any consequential, punitive or special damages. The Escrow Agent may perform any duties hereunder either directly or by or through agents and attorneys and the Escrow Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(b) The Escrow Agent may consult with legal counsel of its selection (with the expense to be reimbursed in accordance with Section 1.4(b) hereof) in connection with the satisfaction of its duties under this Agreement, and the Escrow Agent shall not incur any liability in acting in good faith in accordance with any advice from such counsel.

(c) The Escrow Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Escrow Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, or the unavailability of the Federal Reserve Bank wire or other wire or communication facility).

Section 2.5. Unless otherwise specifically set forth herein, the Escrow Agent shall proceed as soon as practicable to collect any checks or other collection items at any time deposited hereunder. All such collections shall be subject to the Escrow Agent's usual collection practices or terms regarding items received by the Escrow Agent for deposit or collection. The Escrow Agent shall not be required, or have any duty, to notify anyone of any payment or maturity under the terms of any instrument deposited hereunder, nor to take any legal action to enforce payment of any check, note or security deposited hereunder or to exercise any right or privilege which may be afforded to the holder of any such security.

Section 2.6. The Escrow Agent shall provide to the Company monthly statements identifying holdings of Escrow Property and each such statement shall be deemed to be correct and final upon receipt thereof by the Company unless the Escrow Agent is notified in writing to the contrary within ten Business Days of the Company's receipt of such statement.

Notices shall be deemed to have been duly given if delivered (i) personally, (ii) by email transmission with written confirmation of receipt, (iii) by overnight delivery with a reputable national overnight delivery service, or (iv) by mail or by certified mail, return receipt requested, and postage prepaid. If any notice is mailed, it shall be deemed given five business days after the date such notice is deposited in the United States mail. Notwithstanding the foregoing, notices to the Escrow Agent shall be deemed to be given when actually received by the Escrow Agent. The Escrow Agent is authorized to comply with and rely upon any notices, instructions or other communications believed by it to have been sent or given by the Company or by a person or persons authorized by the Company. Whenever under the terms hereof the time for giving a notice or performing an act falls upon a day that is not a Business Day, such time shall be extended to the next Business Day. Attached as Schedule A hereto is a list of those persons initially entitled to give notices, instructions and other communications to the Escrow Agent on behalf of the Company. Schedule A may be amended from time to time by written notice from the Company to the Escrow Agent.

Section 2.8. The Company shall reimburse and indemnify the Escrow Agent and hold the Escrow Agent harmless from and against any and all claims, losses, liabilities, costs, damages or expenses (including, without limitation, reasonable attorneys' fees and expenses) (collectively, "Losses") arising from or in connection with or related to its acceptance of appointment under this Agreement or being the Escrow Agent hereunder (including but not limited to Losses incurred by the Escrow Agent in connection with its successful defense, of any claim of gross negligence or willful misconduct on its part), provided, however, that nothing contained herein shall require the Escrow Agent to be indemnified for Losses caused by its gross negligence or willful misconduct as determined by a court of competent jurisdiction. The provisions of this Section 2.8 shall survive the termination of this Agreement or the resignation or removal of the Escrow Agent.

Section 2.9. (a) The Company may, with the consent of the Collateral Agent, remove the Escrow Agent at any time by giving to the Escrow Agent fifteen (15) calendar days' prior notice in writing signed by the Company. The Escrow Agent may resign at any time by giving to the Company and Collateral Agent thirty (30) calendar days' prior written notice thereof.

(b) Within fifteen (15) calendar days after giving the foregoing notice of removal to the Escrow Agent or receiving the foregoing notice of resignation from the Escrow Agent, the Company shall appoint a successor Escrow Agent reasonably acceptable to the Collateral Agent. The Company shall cause any successor Escrow Agent to assume the obligations of the Escrow Agent hereunder or to enter into such other Escrow Agreement substantially in the form hereof with such changes, if any, as may be reasonably acceptable to the Collateral Agent. If a successor Escrow Agent has not accepted such appointment by the end of such 15-day period, the Escrow Agent may apply to a court of competent jurisdiction for the appointment of a successor Escrow Agent or for other appropriate relief. The costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by the Escrow Agent in connection with such proceeding shall be reimbursed by the Company.

(c) Upon receipt of the identity of the successor Escrow Agent, the Escrow Agent shall either deliver the Escrow Property then held hereunder to the successor Escrow Agent, less the Escrow Agent's fees, costs and expenses, each determined in accordance herewith, or other obligations owed to the Escrow Agent, or hold such Escrow Property (or any portion thereof), pending distribution, until all such fees, costs and expenses or other obligations are paid.

(d) Upon delivery of the Escrow Property to the successor Escrow Agent, the Escrow Agent shall have no further duties, responsibilities or obligations hereunder.

Section 2.10. Any corporation or association into which the Escrow Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Escrow Agent is a party, shall be and become the successor escrow agent under this Escrow Agreement and shall have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

Section 2.11. (a) In the event of any ambiguity or uncertainty hereunder or in any notice, instruction or other communication received by the Escrow Agent hereunder, the Escrow Agent may, in its sole discretion, refrain from taking any action other than retaining possession of the Escrow Property, unless the Escrow Agent receives written instructions, signed by the Company, which eliminates such ambiguity or uncertainty.

(b) In the event of any dispute between or conflicting claims, demands or instructions by the Company and/or any other person or entity (other than the Collateral Agent) with respect to the Cash Reserve Account or any Escrow Property, the Escrow Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to the Cash Reserve Account or such Escrow Property, as the case may be, so long as such dispute or conflict shall continue, and the Escrow Agent shall not be or become liable in any way to the Company for failure or refusal to comply with such conflicting claims, demands or instructions. The Escrow Agent shall be entitled to refuse to act until, in its sole discretion, either (i) such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing signed by the Company and satisfactory to the Escrow Agent or (ii) the Escrow Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all Losses which it may incur by reason of so acting. The Escrow Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such proceeding shall be paid by the Company.

Section 2.12. This Agreement, including all matters of construction, validity and performance and matters relating to the creation, validity, enforcement or priority of the liens created by this Agreement, shall be governed by the laws of the State of New York without regard to the conflict of laws rules thereof (other than Section 5-1401 of the New York General Obligation Law) except as may be required by other mandatory provisions of law. Each of the parties hereto hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State court sitting in New York City for the purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. THE COMPANY HEREBY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY SUCH PROCEEDINGS. THE COMPANY WAIVES PERSONAL SERVICE OF PROCESS AND CONSENTS TO SERVICE OF PROCESS BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO IT AT THE ADDRESS LAST SPECIFIED FOR NOTICES HEREUNDER, AND SUCH SERVICE SHALL BE DEEMED COMPLETED TEN (10) CALENDAR DAYS AFTER THE SAME IS SO MAILED.

Section 2.13. Except as otherwise permitted herein, this Agreement may be modified only by a written amendment signed by all the parties hereto, and no waiver of any provision hereof shall be effective unless expressed in a writing signed by the party to be charged.

Section 2.14. The rights and remedies conferred upon the parties hereto shall be cumulative, and the exercise or waiver of any such right or remedy shall not preclude or inhibit the exercise of any additional rights or remedies. The waiver of any right or remedy hereunder shall not preclude the subsequent exercise of such right or remedy.

Section 2.15. The invalidity, illegality or unenforceability of any provision of this Agreement shall in no way affect the validity, legality or enforceability of any other provision; and if any provision is held to be enforceable as a matter of law, the other provisions shall not be affected thereby and shall remain in full force and effect.

Section 2.16. This Agreement shall terminate upon the distribution of all Escrow Property from the Cash Reserve Account in accordance with Sections 1.2 and 1.3; provided however, that Sections 1.4, 2.8 and 2.19 shall survive notwithstanding any termination of this Agreement or the resignation of the Escrow Agent.

Section 2.17. The headings contained in this Agreement are for convenience of reference only and shall have no effect on the interpretation or operation hereof.

Section 2.18. This Agreement may be executed by each of the parties hereto in any number of counterparts, each of which counterpart, when so executed and delivered, shall be deemed to be an original and all such counterparts shall together constitute one and the same agreement.

Section 2.19. Except as otherwise set forth herein, the Escrow Agent does not have any interest in the Escrow Property deposited hereunder but is serving as escrow holder and a depository only and having only possession thereof. The Company shall pay or reimburse the Escrow Agent upon request for any transfer taxes or other taxes relating to the Escrow Property incurred in connection herewith and shall indemnify and hold harmless the Escrow Agent any amounts that it is obligated to pay in the way of such taxes. Any payments of income from the Cash Reserve Account shall be subject to withholding regulations then in force with respect to United States taxes. For all tax purposes, the account shall be deemed owned by the Company and the Company will provide the Escrow Agent with appropriate W-9 forms for tax I.D. number certifications as requested. It is understood that the Escrow Agent shall be responsible for income reporting only with respect to income earned on investment of funds which are a part of the Escrow Property and is not responsible for any other reporting, which shall be the sole obligation of the Company.

Section 2.20. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Escrow Agent, in order to help fight the funding of terrorism and prevent money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Escrow Agent. The parties to this Escrow Agreement agree that they will provide the Escrow Agent with such information as it may request in order for the Escrow Agent to satisfy the requirements of the U.S.A. Patriot Act.
