## **RISK FACTORS**

Investing in our securities involves risks. The most significant factors that make an investment in our securities risky or speculative are discussed under the caption "Risk Factors" in the prospectus accompanying this prospectus supplement, and under the caption "Risk Factors" and elsewhere in our filings under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These factors, and others that are not presently known to us, may cause our operating results to vary from anticipated results or may materially and adversely affect our business and financial condition. If any of the unfavorable events or circumstances described in the risk factors actually occur, our business may suffer, the trading price of our common stock and other securities could decline, and you could lose all or part of your investment.

## **USE OF PROCEEDS**

We expect the net proceeds from the sale of the shares of our common stock being sold pursuant to this prospectus supplement will be approximately \$23.6 million after deducting the placement agent fee and our estimated expenses. We intend to use the net proceeds to fund the acquisition of Aerogen, Inc.

## **DESCRIPTION OF COMMON STOCK**

Please read the information discussed under the heading "Description of Capital Stock" beginning on page 9 of the accompanying prospectus dated December 6, 2004. On August 12, 2005, approximately 85.4 million shares of our common stock were outstanding.

Upon the completion of the sale under this prospectus supplement approximately 86.8 million shares of our common stock will be outstanding.

## **PLAN OF DISTRIBUTION**

We have entered into a stock purchase agreement dated as of August 15, 2004 with Mainfield Enterprises, Inc. as Purchaser. We are selling 1,436,266 shares of our common stock offered at \$16.71 per share. Subject to terms and conditions contained in the purchase agreement, the Purchaser has an option to purchase \$8,000,000 worth of additional shares of our common stock at a price which is the greater of a ten percent discount to the volume weighted average price on the trading day immediately preceding the exercise date and \$17.59. We will also reimburse Purchaser up to \$10,000 for expenses incurred in connection with this offering.

Subject to the terms and conditions contained in the placement agent agreement, dated August 15, 2005, Reedland Capital Partners, an Institutional Division of Finance West Group has agreed to act as the exclusive placement agent in connection with this offering. We will pay the placement agent a total commission equal to \$300,000 for shares of our common stock sold to the Purchaser under this prospectus supplement. Furthermore, we will pay the placement agent a 1.0% cash commission of the gross proceeds from any additional sales of additional shares of our common stock to Purchaser through and including September 16, 2005.

The placement agent is not obligated and does not intend to purchase or sell any shares covered by this prospectus supplement and the accompanying prospectus, nor is the placement agent required to arrange the purchase or sale of any specific number or dollar amount of the shares.

Our obligation to issue and sell our common stock to Sage Capital Growth, Inc. is subject to the conditions set forth in the purchase agreements, which may be waived by us in our discretion. A Purchaser's obligation to purchase shares is subject to conditions set forth in the purchase agreement as well, which may be waived by the Purchaser.

We estimate the total expenses which will be payable by us, excluding the commission, will be approximately \$100,000.

We have agreed to indemnify the Purchaser and placement agent and its affiliates against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the financial advisors and its affiliates may be required to make in respect thereof.

The Purchaser or their pledgees, donees, transferees, or other successors in interest may sell the shares offered hereby from time to time in one or more transactions and may use any legally permissible method of sale, including without limitation one or more of the following methods:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The Purchaser may also engage in short sales against the box, puts and calls and other transactions in our securities or derivatives of our securities and may sell or deliver shares in connection with these trades.

The Purchaser may effect such transactions by selling the shares to or through broker-dealers, and such broker-dealers may receive compensation in the form of discounts, concessions or commissions from the Purchaser and/or the purchasers of the shares for whom such broker-dealers may act as agents or to whom they sell as principals, or both.

#### **LEGAL MATTERS**

The validity of the issuance of our common stock offered by this prospectus supplement will be passed upon by our counsel, Wilson Sonsini Goodrich & Rosati, Professional Corporation, Palo Alto, California.
